OFFICE MEMORANDUM

Subject: Enlistment of Indian Support Partners to provide local support to Proven Technology Providers under Global Housing Technology Challenge – India (GHTC-India) – reg.

The undersigned is directed to state that to provide logistic support to Global Proven Technology Providers in carrying out the construction of the Light House Projects (LHPs) at six different locations in India, Indian companies were invited to submit application for Indian Support Partner category. The said applications were scrutinized by Technical Evaluation Committee (TEC) to finalise the list of the eligible applicants. The report of TEC, in this regard, has been approved by the Competent Authority.

2. The list of companies enlisted as Indian Support Partners to provide local support to Proven Technology Providers who participated in Construction Technology India (CTI) 2019: Expo-cum-Conference under GHTC-India is enclosed herewith for information.

3. Further, it is intimated that it is a simple enlistment of Indian Support Partners and does not guarantee that Technology Provider will mandatorily form a joint venture or partnership with these local partners. Any type of association has to come out through mutual discussions between the parties based on their mutually agreed terms during the process of tendering for construction of LHPs at six selected locations in India only. This enlistment is valid only for participation in tendering process for construction of LHPs only and it will be co-terminus with completion of LHPs.

4. This issues with the approval of Competent Authority.
