**TERMS OF REFERENCE (TOR)****1 Brief Description of Task**

This Terms of Reference is for executing midterm appraisal of Credit Linked Subsidy Scheme (CLSS) vertical of Pradhan Mantri Awas Yojana (Urban) - Housing for All Mission [PMAY (U)]. The objective of this study is to conduct a Mid-Term Appraisal of Credit Linked Subsidy Scheme (CLSS) vertical of PMAY (U) across the country. For the same, the study is targeted to collect and document the socio-economic impacts on targeted households besides assessing the effectiveness of processes adopted by implementing agencies at various levels. Consequently, a detailed gap assessment will need to be undertaken leading to the identification of a pragmatic set of recommendations for streamlining the processes involved at various stages and thus enhance the efficiency and effectiveness of the scheme in achieving its desired objectives.

**2 Background**

PMAY-U is being implemented during FY 2015-22 and this mission will provide central assistance to implementing agencies such as States/UTs/Central Nodal Agencies (CNA), for providing houses to all eligible beneficiaries by FY 2022. PMAY-U Housing for All (HFA) mission seeks to address the housing requirement of urban poor including slum dwellers and also LIG, MIG segments through CLSS. Ministry of Housing and Urban Affairs (MoHUA) intends to hire a firm/s for carrying out mid-term appraisal of Credit Linked Subsidy scheme (CLSS) vertical of Pradhan Mantri Awas Yojana (Urban) - Housing for All Mission.

- *ISSR: Slum rehabilitation of Slum Dwellers with participation of private developers using land as a resource.*

- *AHP: Affordable Housing in Partnership with Public & Private sectors.*
- *BLC: Fund support for beneficiary-led individual house construction /enhancement.*

2.2 The Mission has been implemented as Centrally Sponsored Scheme (CSS) except for the component of credit linked subsidy (CLSS) which is being implemented as a Central Sector Scheme. The Mission with all its components became effective from the date 17.06.2015 and is to be implemented up till

31.03.2022. CLSS for MIG was introduced w.e.f 01.01.2017 initially for a period of 1 year and has been extended from time to time upto 31.03.2021.

Areas falling within notified Planning/Development area under the jurisdiction of an Industrial Development Authority/ Special Area Development Authority/Urban Development Authority or any such Authority under the State legislation which is entrusted with the functions of urban planning and regulations shall also be included for the coverage under PMAY(U).

2.4 CLSS is an ongoing Central Sector Scheme of the Govt. of India under MoHUA and is one of the four verticals/components of Pradhan Mantri Awas Yojana (Urban) [PMAY (U)] which aims to provide houses to all eligible families/beneficiaries by 2022. While other 3 verticals of PMAY-U cover EWS segment only having annual income up to Rs. 3 lakh, CLSS vertical caters to Households having annual incomes up to Rs.18 lakh. There are two segments of CLSS: -

- a) CLSS for EWS/ LIG
- b) CLSS for MIG-I & MIG-II

2.5 CLSS for EWS/ LIG houses was launched with effect from 17th June 2015 and CLSS for MIG I & II is effective from 01.01.2017. Since a considerable time has elapsed since the inception of the Scheme, it has been decided to undertake a comprehensive Appraisal/ Evaluation of the implementation of the CLSS. ### 3 Scope of Work/ Study

#### 3.1 Study purpose:

- CLSS has reached out to a scale of almost 16 lakh beneficiaries and funds of more than Rs. 36,000 Cr have been sanctioned. The scale and implementation of the scheme has widely been accepted by the banking fraternity with most of the HFCs and Banks showing interest in implementation of the scheme under the overarching support of CNAs and Ministry (MoHUA and DFS).
- Further, this is directly implemented by Centre (MoHUA) through CNAs (NHB, SBI, HUDCO) by providing as advance subsidy to CNAs who follow the stipulated guidelines by the Ministry to further provide subsidy to PLIs (HFCs, Banks, RRBs etc). The CNAs raise request for funds based on the applications received by PLIs.
- Since, this is a scheme implemented centrally across India, through two channels of financial institutions (CNAs and PLIs) to the beneficiaries; there is a need to study the performance of institutions in addressing the demand in fair and transparent way.
- A separate study on CLSS will help to know the challenges faced by stakeholders and impact on lives of beneficiaries. The study shall gauge the requirement of stakeholders from different regions and backgrounds to provide feedback on improvement of scheme guidelines and its implementation.

#### 3.2 Physical and Financial Progress:

- To study the progress made by CLSS in addressing the Housing demand under EWS, LIG, MIG-I and MIG-II segment.
- To study and identify challenges, analyse opportunities and recommend strategies to be adopted to achieve the objective of the programme.
- To study the challenges and success stories of States/UTs, Top performing Towns/Cities and PLIs.

#### 3.3 Socio-economic impact:

- Assess community/households level changes brought about by CLSS components of PMAY (U).

- b) Study the social and demographic profile of the beneficiaries covering income, employment, marital status, size of family, caste, religion, gender, education, age etc.
- c) To assess social impact and improvement in quality of life of the beneficiaries brought about by reduction in EMIs, in terms of increased status, health, education of children and livelihood opportunities. *(separate for EWS/LIG and MIG)*
- d) To study the economic, environmental and livelihood impacts of the subsidy availed through CLSS vertical on the household.
- e) To evaluate the overall improvement in quality of life of the beneficiary households.
- f) To study the aspect of women empowerment through ownership/co-ownership right of the houses, especially EWS/LIG.
- g) Evaluate the scheme benefit on inclusion of MIG, as this category has been included for the first time in Government Schemes to provide housing incentives.
- h) Any other impact as assigned by competent authority which deemed fit for the mission.

#### 3.4 **Role of IT**

- a) CLAP portal and its impact on implementation of CLSS program. Has it addressed the problems for which CLAP was launched, like:
  - i. Quick processing of cases
  - ii. Aadhaar verification on real time basis
  - iii. Performance of First in First Out system replacing the earlier bunching system.
  - iv. Grievance redressal before and after CLAP.
