Minutes of the 10th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) 2.0 and 80th meeting of the CSMC under Pradhan Mantri Awas Yojana (Urban) - Housing for All held on 16th October 2026.

The 10th meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana – Urban 2.0 (PMAY-U 2.0) and 80th meeting of the CSMC under Pradhan Mantri Awas Yojana – Urban (PMAY-U) was held on 16th October 2026 at 12.00 p.m. in the Conference Hall at 9th Floor of Sankalp Bhawan, K.G. Marg, New Delhi under the Chairmanship of Secretary, Department of Urban Development, Ministry of Housing and Urban Affairs (MoHUA). The meeting was attended by the participants/representatives from various State/UT Governments, officers concerned of the Ministry and other Departments etc. The list of participants is at **Annexure-A.**

2. The meeting began with a welcome address by the Joint Secretary & Mission Director (HFA), MoHUA. States/UTs of Andhra Pradesh, Bihar, Chhattisgarh, Gujarat, Karnataka, Mizoram, Odisha, Sikkim, Telangana, Uttar Pradesh and West Bengal attended the meeting (online/offline mode) who had submitted new proposals under PMAY-U 2.0.

3. A total of **1,93,521** houses from **11 States** were submitted for consideration of CSMC, comprising of 1,63,871 houses under Beneficiary led Construction (BLC) and 29,650 houses under Affordable Housing in Partnership (AHP) verticals of the Mission.

4. The CSMC noted the progress made on the submission of pending UCs under the erstwhile Jawaharlal Nehru National Urban Renewal Mission (JnNURM), Rajiv Awas Yojana (RAY) and Integrated Low Cost Sanitation (ILCS) schemes by the States/UTs. The remaining States/UTs with outstanding Utilisation Certificates (UCs) were directed to reconcile the pending UCs with the Ministry and submit the requisite UCs, wherever necessary or refund the unspent balance of Central Assistance with applicable interest to the Consolidated Fund of India (CFI). States/UTs were directed to accord highest priority to resolve these legacy issues and submit all pending UCs along with applicable interest at the earliest. They were also advised to coordinate with concerned departments, ULBs, implementing agencies, wherever required to ensure early settlement and closure of pending cases.

5. States/UTs were also directed to complete the demand survey for beneficiary selection under PMAY-U 2.0 in a fast manner, ensuring proper verification to accurately determine demand across various verticals and avoid duplicity. Furthermore, they were advised to undertake extensive Information, Education & Communication (IEC) campaigns to enhance public awareness of the scheme within their respective jurisdictions for maximum coverage.

6. It was further highlighted that a large number of applications are pending with States/UTs for verification at the ULB level on the Unified Web Portal (UWP) under PMAY-U 2.0. States/UTs are requested to complete verification and **clear all pending applications** within a stipulated timeline to establish the actual housing demand under different verticals. States/UTs should also expedite

submission of proposals under BLC, AHP and ARH verticals based on the verified demand. States/UTs were also directed to ensure that geo-tagging of houses **at the pre-construction stage accurately** reflecting the actual ground situation along with prospective beneficiary and is duly verified by the competent authority of State/UT before the proposals for new houses are submitted to the CSMC for consideration.

7. The CSMC emphasized that a target of sanctioning 41 lakh houses under PMAY-U 2.0 by 31 March 2027 has been envisaged. Accordingly, the tentative targets for the current financial year, along with the overall targets for the Mission period, have already been communicated to the States/UTs. It was clarified that these targets are indicative in nature and States/UTs may, wherever necessary, submit additional proposals beyond their tentative allocated targets, based on verified demand and fulfilment of the prescribed eligibility criteria. However, States/UTs were advised to ensure timely submission of proposals and achievement of the communicated targets, as any unutilised allocation arising from shortfalls may be reallocated to better-performing States/UTs. In such cases, the States/UTs failing to achieve their targets may not be assured of further allocation of houses at a later stage.

8. Random verification of approximately 66,000 geo-tagged houses at the pre-construction stage under the BLC vertical, submitted for consideration of the CSMC, revealed certain instances of improper geo-tagging. Approximately 5,000 cases have been identified as doubtful and will be communicated to the concerned States for further scrutiny. The States/UTs were directed to undertake diligent re-verification of these cases and resolve the discrepancies in consultation with the Ministry at the earliest. Pending such verification and resolution, these houses shall be treated as deemed approved. Release of 1st instalment is subject to the verification of pre-geotagging for all the proposed houses, removal of discrepancies and submission of an undertaking from the State Mission Director confirming that all houses for which central assistance is being considered are properly geotagged with the latitude and longitude of the beneficiary/house on the proposed land site. The concerned States/UTs were further cautioned that failure to resolve the identified discrepancies within the stipulated timeline may result in the curtailment of the concerned houses. Further, regular review of progress of geo-tagging for various stages of house construction needs to be done by the States/UTs and ensure that only good quality images are uploaded.

9. AHP projects under PMAY-U 2.0 shall be processed as per the prescribed SoP for Model 1 and Model 2, covering PPR preparation and upload with pre-construction geo-tagging, online project selection, identification and attachment of at least 50% of beneficiaries, DPR preparation and scrutiny, statutory approvals, including RERA registration, and other requirements relating to project size, EWS component and beneficiary interest. Considering the practical difficulties faced by States/UTs in obtaining RERA registration and fulfilling certain compliances before CSMC consideration the projects are accorded in-principle approval. A token amount shall also be collected from 5–10% of identified beneficiaries to ensure commitment and eliminate non-serious applicants. All pending compliances, supported by relevant documents, shall be submitted within three months of approval, after which the projects shall be placed before the CSMC for confirmation. Release of Central and State funds

shall remain subject to fulfilment of the prescribed conditions under the PMAY-U 2.0 Guidelines and AHP SoP and final CSMC approval.

10. It was reiterated that CSMC meetings will henceforth be held in the second week of every month. Accordingly, all States/UTs were requested to ensure that proposals duly approved by the State Level Sanctioning and Monitoring Committee (SLSMC) are submitted to this Ministry by the **last working day of every month** for further analysis and necessary preparation by the Ministry. Proposals received after the stipulated timeline will be considered for placement in the next CSMC meeting.

11. States/UTs were directed to expedite the formulation of their respective Affordable Housing Policies by drawing upon successful practices of other States/UTs and incorporating the reforms envisaged under the PMAY-U 2.0 guidelines and the report of NITI Aayog's Committee. They were also advised to ensure the timely implementation of these reforms to create an enabling ecosystem for affordable housing. States/UTs shall take necessary measures to simplify regulatory procedures, ensure time-bound approvals and clearances, facilitate the availability of land and promote greater participation of public and private sector agencies in the development of affordable housing under PMAY-U 2.0.

12. All states to expedite grounding and completion of houses sanctioned under PMAY-U 2.0 and complete all the under-construction houses under PMAY-U. Completed AHP/ISSR houses should be occupied at the earliest after provision of essential infrastructure.

13. All States/ UT should do analysis and mapping of infrastructure being provided through various central missions and state schemes along with houses being sanctioned under PMAY-U. Emphasis should be on convergence of schemes. New AHP projects should be proposed in areas where public transport infrastructure (Metro, PM-eBus Seva etc) is being provided and water/ sewage facilities are being provided. HFA directorate should also conduct a study across States/UTs for this purpose.

14. Thereafter, the **agenda** for 10th CSMC meeting under PMAY-U 2.0 and 80th CSMC meeting under PMAY-U were introduced. The State-wise agenda items and the minutes are recorded in alphabetical order are as follows:

Hence, a change of site has been proposed.

ii. **Annexure Id-** 5B22250653000252, **change of 10 blocks (for construction of 480 houses) from** Kachna to Sarona (Parthavi Province) due to the reasons that an electrical transmission line passing in the vicinity of the proposed site, the layout has been partially modified, and accordingly, 10 out of the total 18 blocks are proposed to be constructed at Sarona.

iii. **Annexure Id-** 5B22250653000369, **change of 1 blocks (for construction of 28 houses)** Purena to Boriyakhurd (WallfortPanaroma) due to the reasons that the land earmarked for EWS (Economically Weaker Section) housing has been illegally encroached upon by the local community. iii. The change of location of land site also indicated that when the proposal was originally submitted due-diligence regarding the site was not done. The same may be avoided in future.
iv. State is requested to upload the land documents of changed projects before any start of work at site.
v. State Government shall ensure uploading of revised signed **Annexure (5 B)**.
