Minutes of the $37^{\text {dh }}$ meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) - Housing for All Mission held on 23 August 2018

The $37^{\text {th }}$ meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) [PMAY (U)] was held on 23 August 2018 at 12.00 hours in the Conference Room, Nirman Bhawan, New Delhi, with Secretary, Ministry of Housing and Urban Affairs in Chair. The list of participants is at Annexure-I.
2. At the outset, the Secretary, Ministry of Housing \& Urban Affairs (MoHUA) welcomed the participants/representatives from the State Governments, participants/officers of the Ministry and other Departments. He reiterated that while considering the project proposals submitted by the States/UTs under PMAY (U), the CSMC reviews their progress and gives directions for proper and rapid implementation/execution of the projects.
2.1. Accordingly, the following Decisions/Observations for compliance by all State/UT Governments were emphasized:
i. It was directed that all States/UTs should saturate their total demand for sanction in the year 2018-19 itself, which would enable them to complete all the houses by 2021-22 along with UCs and completion certificates etc.
ii. States/UTs should ensure that the PMAY (U) logo is displayed in front of all housing units constructed under funding support of the Government of India. However, State/UTs should not display any such information which may amount to violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.
iii. State Governments may prepare short films, printed literature/documents on projects undertaken under PMAY (U) to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and also in various social media platforms for generating awareness. The State Government should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.
iv. The State/UT Governments should consider ISSR component of PMAY (U) for rehabilitation of slums wherein land is used as a resource and which is available with the State/UT/ULBs.
v. The Government of India has released Rs. 8000 crore under Extra Budgetary Resource (EBR), over and above budgetary allocation, to the State/UT Governments/CNAs in the FY 2017-18. The EBR fund is an interest bearing fund and it is important that the funds so released to the State do not remain parked with SLNA/State Government, but is utilized on fast pace for the purpose it has been released. Any interest earned on the parked fund will be adjusted/ recovered against subsequent instalments in the sanctioned projects under PMAY (U).
vi. The EBR funds should be released to the ULBs within a week's time and registration of all ULBs on PFMS may be ensured by all State/UT Governments. This is a very important matter and appropriate arrangements and safeguards must be built in.
vii. With regard to the vacant houses, if any, under JnNURM, the State Governments/UTs should look for realistic, pragmatic options so as to allot these houses to eligible beneficiaries in urban areas without any further delay.
viii. The Secretary (MoHUA) desired the States/UTs to collect data in respect of houses of EWS/LIG category which are being constructed through State sponsored schemes, Development Authorities, Housing Boards, Private Developers and Individual constructions in all statutory towns. EA/NBO will coordinate the efforts and will update regularly the progress made.
ix. A robust MIS System is critical for PMAY (U) Mission. States need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY (U)-MIS. All States/UTs to ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.
x. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY (U), the bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be $100 \%$ Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.
xi. State/UTs to expedite finalisation of agencies for TPQM and Social Audit as per the guidelines.
xii. Since Rajiv Awas Yojana (RAY) is subsumed in Pradhan Mantri Awas Yojana PMAY (U), Third Party Quality and Monitoring Agencies (IPQMA) appointed for PMAY (U) may also certify quality aspects of RAY projects.
xiii. States/UTs need to expedite grounding of approved projects so that they are completed within the timeline.
xiv. The States/UT's should submit project proposals for consideration of CSMC by $15^{\text {th }}$ of each month so that site scrutiny/desk scrutiny in respect of identified DPRs can be done before the CSMC holds meeting.
xv. HFAPoA should have been submitted prior to bringing project proposals for that city. If not, justification for delay should be provided.
xvi. The State/UT Governments may make provision of cistern in toilet, two platforms in kitchen, cemented almirah/slab, storage space in living room, loft, etc. which are basic requirement for a family. Similarly, plantation drive may be organised on completion of construction work especially in AHP and ISSR projects to increase green cover at the locality. In BLC projects, houses should be constructed little away from the existing road, wherever possible, for better planning and case of traffic movement. It was reiterated that PMIV ( I ) addresses the aspiration of human being for a better and dignified life. All out effots should be made to provide mavimum facilites.
xvii. Housing demand along with infrastructure in aspirational districts to be prioritised and completed immediately.
xviii. The State/UT governments may consider G +7 units under AHP and ISSR projects with lift facility as land is a scarce resource. The maintenance cost of the lift can be managed by the resident welfare society once houses are occupied.
xix. States/UTs may prefer arranging rent to the beneficiaries during the interim period of construction of houses under ISSR projects for its speedy completion.
xx . States/UTs should implement innovative, cost effective and high quality construction technologies for constructing the housing units under PMAY $(U)$ and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.
xxi. First instalment of Central Assistance in case of BLC/ISSR projects shall be released when all beneficiaries in the project are Aadhaar seeded.
xxii. Further, the first instalment of Central Assistance in respect of ISSR and AHP projects shall be released on confirmation of the State/UT Government(s) about selection of Developer and issuance of work order. In respect of AHP projects, the $2^{\text {nd }}$ instalment of Central Assistance shall be released after Aadhaar seeding of all beneficiaries is captured in the project. Hence, claim for release of $2^{\text {nd }}$ instalment of Central Assistance for a project must be submitted after the Aadhaar seeding of all the beneficiaries in the project is completed in PMAY (U)-MIS by the State/UT Governments
xxiii. State Level Appraisal Committee is expected to thoroughly appraise the DPRs before submitting the same to State Level Sanctioning \& Monitoring Committee for approval. Combining SLAC and SLSMC meeting is not permissible as the mandate of the two bodies is distinct.
xxiv. Allotment of houses in AHP and ISSR vertical of PMAY (U) should be Aadhaar enabled, provision for which has already been made in PMAY (U)-MIS.
xxv. State/UT Governments may offer incentives through additional FAR for rehabilitation of slums on private land through ISSR. Increase of FAR upto $50 \%$ can be considered which will incentivise developers to undertake construction work on privately owned land for meeting the "Housing for All" goal.
xxvi. State/UT Govemments should exempt sanctioning of building plan on plot size less than 100 sq. metre. States/UTs may also prepare and circulate standard building plan designs for a plot size upto 100 sq. metre.
xxvii . State/UT Governments are advised to ensure that:
a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.
b. There should be no duplication/change in the identified beneficiaries
c. Demarcation of land and mutation is carried out before implementation
d. The design and construction of houses is disaster resilient and the specifications conform to $1 S$ / NBC norms.
xxx. The MoHUA has formulated 'PPP Models for Affordable Housing' to enable States/UTs to facilitate private sector participation, in order to meet the growing need of affordable housing in the country. The States/UTs are advised to make use of these guidelines suitably for PPP projects on affordable housing.
xxxi. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY (U) fradulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/registration fee for applying for Houses in PMAY (U).Thus, no individual/agency/organization can collect any money/application fee from the beneficiary for enrolment under PMAY (U). All State Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this fraudulent activity.
3. Thereafter, the Joint Secretary and Mission Director (HFA) introduced the agenda for the meeting. The agenda items also form part of the minutes. The item-wise minutes are recorded as follows:

$6 \quad \begin{aligned} & \text { Consideration and approval for proposal for construction of } 63 \text { Demonstration } \\ & \text { Housing Projects (DHP) under PMAY (U) submitted by the State of Jharkhand } \\ & \text { (Agenda 6) }\end{aligned}$

## A. Basic Information:

In order to showease the field application of new emerging technologies, the then Ministry of Housing and Urban Poverty Alleviation (MoHUPA) had taken an initiative to construction Demonstration Housing Projects (DHPs) through Building Materials \& Technology Promotion Council (BMTPC) as a part of the Technology Sub-Mission under PMAY (U). The guidelines were subsequently revised and State Governments who have submitted DHP proposals earlier, were requested to forward proposals for construction of DHP's as per revised guidelines.

The Government of Jharkhand vide letter dated 20.7 .2018 has submitted that there ate 63 beneficiaries restdeng in the land identified for the DHP at Doranda, Ranchi and hence
requested for construction of 63 houses instead of 40 houses as mentioned in the guidelines. It has also been informed that the houses constructed under DHP will be allotted to eligible PMAY (U) beneficiaries who are residing there and funding pattern for construction of DHP will be as per the clause V11 (A) of revised Operational Guidelines, 2018. As per operational guidelines (Clause IV b), each DHP will contain upto 40 houses but in case of the proposal of the State Govt. of Jharkhand, it is proposed to construct 63 houses at the identified land.

The proposal of the State Government of Jharkhand was placed before the CSMC for its consideration for construction of 63 Demonstration Houses by relaxing Clause IV b of the revised Operational Guidelines, 2018 and in-principle approval for undertaking DHP at Doranda, Ranchi Jharkhand as per revised DHP Operational Guidelines 2018.

## B. CSMC Decision

The Committec approved the following:
i. In-principle approval for undertaking DHP at Doranda, Ranchi, Jharkhand as per Clause VII(A) of the revised Operational Guidelines 2018.
ii. The Jharkhand Govt. should put up a formal proposal for the DHP for the consideration of CSMC.

## A. Basic Information:

The proposal under consideration of CSMC was for Central Assistance for 18 AHP, 62 BLC (New) and 51 BLC (Enhancement) projects submitted by the State of Haryana. The salient details of the proposal are as under:

| Component | No. of Projects (cities) | Total No. of houses proposed | No. of EWS houses proposed | Central <br> Assistance (Rs. in <br> lakh) | State <br> and <br> ULB <br> Uhare <br> (Rs. in <br> lakh) | Beneficiary contribution (Rs. in lakh) | Date of <br> Appraisal by <br> SLAC $/$ <br> approval of <br> SLSMC  |

| Total |  | 19499 | 19499 | 29248.50 | 17624.00 | 88840.65 |  |

B. Additional information given by the State:
i. Demand survey is complete in all the 80 towns and a total of 3.61 lakh applications received including CISS.
ii. 80 HFAPoAs have already been submitted to Mission Directorate.
W.. JNNURM: Out of 13,223 houses, 10,009 have been complete and allotted. 318 houses are in progress, which will be allotted on completion.
iv. RAY: Out of 3,226 houses, 925 houses are complete and allotted whereas 1229 are in progress.
v. Camps for motivating CLSS beneficiaries in 80 towns were organized.
vi. Exercise for geo-tagging for 58 towns has been initiated.
vii. Housing Board, Haryana has offered 7,533 flats in 21 towns for PMAY(U) beneficiaries. These will be covered under AHP vertical. The flats have been constructed after launch of PMAY (U) scheme.
viii. The State Government is offering financial assistance upto Rs. 0.67 lakh apart from Central Assistance of Rs. 1.00 lakh under ISSR projects and Rs. 1.00 lakh under AHP and BLC-New in addition to Central Assistance of Rs. 1.50 lakh for the projects under PMAY (U).
ix. 46,750 beneficiaries out of 54,669 beneficiaries of BLC (N) have been attached in PMAYMIS.
x. The proposal for about 50,000 of houses under ISSR (PPP mode) will be brought for approval of CSMC shortly.
xi. Advertisements in the leading newspapers for identifying beneficiaries and for subsidy under CISS are being published to cover B and C class cities in the State.
xii. The pace of construction will increase from September-October 2018 in sanctioned AHP projects under PMAY (U).
xiii. At a number of locations, the number of houses is less than 250 houses mandated under AHP vertical of PMAY (U), for AHP projects. These are part of the demand of the city under AHP vertical. The State has requested CSMC to relax the condition as per para 6.4 of the PMAY (U) guidelines to facilitate construction of houses.
xiv. The State intimated that as demand was validated and formulated into projects in a phased manner, AHP projects with less than 50 houses in some cities have been approved by SLSMC. State further intimated that $31^{\text {" }}$ CSMC had not considered AHP projects having less than 50 houses though they were approved by SLSMC.
xv . In $37^{\text {th }}$ CSMC, State has proposed 57 projects, for consideration of CSMC out of which 39 projects have less than 50 houses and assured that they will aggregate all the AHP projects which were proposed in various phases city-wise so that there is no project having less than 50 houses.. State has, therefore, requested C.SMC to consider all the AHP projects proposed by the State including those AHP projects having less than 50 houses which were not approved by $31^{*}$ CSMC.
C. CSMC observations:

[^0]ii. Out of $2,20,965$ houses sanctioned, only 46,494 beneficiaries have been attached in PMAY(U)-MIS. Similarly, the progress of geo-tagging is also very slow. State to complete geo-tagging of the remaining houses expeditiously.
iii. Utilization Certificates for Rs. 0.70 crore in PMAY (U), Rs 73.20 crore under JNNRUM and Rs 37.31 crore under RAY are pending. State should expedite submission of pending UCs.
iv. State Government may push for technology neutral tender in case of AHP, ISSR projects.
v. The funds for AHP projects shall be released on confirmation by State Government that the developer has been selected and land has been identified for the projects.
vi. JNNURM: The State should expedite allotment of un-occupied houses to the eligible beneficiaries immediately.
vii. CSMC acknowledged the facts that the demand have picked up in the State of Haryana in a phased manner in all the citics. In some phases, AHP projects having less than 50 houses were also proposed for consideration of CSMC. As these projects are proposed on private land and as land has not been identified and the developer has not been selected in any AHP project so far, instead of having multiple projects in a city, all the houses proposed in different phases may be aggregated to make a single AHP project in a city. State has to submit signed annexure 7-B of these city-wise AHP projects to this Ministry \& also upload them in PMAY-MIS. State to revise DPRs accordingly and upload the same on their Departmental/ SLNA's website.

## D. Decision by CSMC

In view of the above, CSMC
i. accorded relaxation as per the provision at para 6.4 of PMAY (U)-HFA guidelines in respect of the AHP projects having less than 250 houses; and
ii. approved Central Assistance and recommended for release of first instalment of the Central Assistance for the State of Haryana as under:
