Minutes of the 3rd meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) 2.0 and 73rd meeting of the CSMC under Pradhan Mantri Awas Yojana (Urban) - Housing for All held on 18th June 2025.

The 3rd meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana - Urban (PMAY-U) 2.0 and 73rd meeting of the CSMC under Pradhan Mantri Awas Yojana – Urban (PMAY-U) was held on 18th June 2025 at 3.00 p.m. in the Conference Room, Nirman Bhawan, New Delhi under the Chairmanship of Secretary, Ministry of Housing and Urban Affairs (MoHUA). The meeting was attended by the participants/representatives from various State/UT Governments, officers concerned of the Ministry and other Departments etc. The list of participants is at **Annexure-I.**

2. The meeting began with a welcome address by the Joint Secretary & Mission Director (HFA), MoHUA. States/UTs (as in Annexure-I) of Assam, Bihar, Chhattisgarh, Gujarat, Jammu & Kashmir, Madhya Pradesh, Maharashtra, Odisha, Rajasthan and Uttar Pradesh attended the meeting (online/offline mode) who had submitted new proposals under PMAY-U 2.0 and proposals for reinstatement/adjustment/curtailment of their houses/projects under PMAY-U.

3. The CSMC was informed that under PMAY-U 2.0, all Management Information System (MIS) related activities are being carried out through the Unified Web Portal (UWP). These activities include beneficiary applications, verification, geo-tagging, beneficiary attachment, project creation/preparation of Detailed Project Reports (DPRs), generation of beneficiary lists, release of Central Assistance instalments, and monitoring of fund utilization, among others. It was reiterated that all States/UTs must exclusively use the UWP for all scheme-related operations, in accordance with the guidelines issued by the Ministry. States/UTs were specifically instructed not to develop or use separate MIS systems, as no further relaxation will be granted for beneficiary verification and attachment as per the current PMAY-U 2.0 provisions. Additionally, States/UTs were directed to complete the demand survey for beneficiary selection under PMAY-U 2.0, along with proper verification, to accurately assess demand across various verticals. They were also advised to conduct widespread Information, Education & Communication (IEC) campaigns to raise public awareness about the scheme within their jurisdictions.

4. Subsequently, Joint Secretary & Mission Director (HFA), made a detailed presentation covering present status of PMAY-U and PMAY – U 2.0. It was informed that as on date, a total of 116.97 lakh houses (after curtailments as proposed by the State/UT Governments) have been

sanctioned involving Central Assistance of about ₹1.97 lakh crore. Against the sanctioned houses, more than 112.89 lakh houses have been grounded for construction, of which 93.12 lakh houses are completed/delivered to eligible beneficiaries. Remaining sanctioned houses are at different stages of construction/yet to start. Central Assistance of ₹170 lakh crore has been released to States/UTs/CNAs so far. It was reiterated that there are still large number of under-constructed houses in Andhra Pradesh, Maharashtra, West Bengal and Karnataka. It was further clarified that no Central Assistance will be available after 31.12.2025 under PMAY(U) and any spill over liabilities for completion of houses will have to be borne by the respective State/UT Governments from their resources. It was also emphasised that the construction work has to be completed as soon as possible.

5. The occupancy of completed AHP houses under PMAY-U is very low, particularly in the States of Andhra Pradesh, Gujarat, Karnataka, Telangana, Tamil Nadu, Maharashtra and Uttar Pradesh. States/UTs need to expedite the completion of houses, infrastructure work and allotment of completed AHP houses to the beneficiaries. **The Secretary, MoHUA, expressed serious concern over the non-occupancy of completed houses under the AHP vertical, primarily due to inadequate infrastructure in several States, notably Karnataka, Uttar Pradesh, Maharashtra, and Andhra Pradesh. It was emphasized that a case-by-case approach should be adopted to address the occupancy challenges, and appropriate measures must be initiated without delay. Additionally, the issue of non-started houses under PMAY-U was also highlighted and it was directed States to take appropriate action at the earliest. States were also urged to ensure sufficient budgetary allocations to expedite completion of non-started houses under PMAY-U.**

6. It was reiterated that the States/UTs have been advised that the projects under PMAY-U 2.0 should have basic civic infrastructure/amenities like water, sanitation, sewerage, road, electricity etc. Urban Local Bodies (ULBs) should ensure that individual houses under ISS and BLC verticals shall also have the provision for these basic civic amenities. States/UTs shall endeavour to make suitable provisions for all required/necessary infrastructure and civic amenities in the project creation/DPRs to make it habitable. **Similarly, geo-tagging of all sanctioned houses must be done in time bound manner.**

7. It was reiterated that all the funds under PMAY–U 2.0 will be released through Mother Sanction under SNA-SPARSH module of PFMS only and no fund will be transferred through Treasury Accounts. So far, 22 States are already on-boarded on SNA-SPARSH module for funding of Central Assistance under PMAY–U Mission and Mother Sanctions have also been issued for these States. All State/UT Governments were advised to start spending fund

through SNA-SPARSH module only. Any fund lying unutilized under SNA account has to be released immediately as fund will now only be released through SNA-SPARSH module.

8. It was clarified that the AHP projects considered during the 3rd CSMC meeting of PMAY-U 2.0 have been approved, subject to the submission of required compliances as per the PMAY-U 2.0 guidelines. As per the scheme guidelines, the Detailed Project Report (DPR) of AHP project proposals submitted by States/UTs for consideration of CSMC approval must contain land ownership documents, model drawing, design, layout, estimate, implementation methodology along with the list of eligible beneficiaries. States/UTs were advised to prepare new proposals under the AHP vertical in alignment with Scheme guidelines only. It was further emphasized that funds will be released only after at least 50% of the beneficiaries have been selected in the AHP projects and attached in UWP and all other necessary compliances are met. States/UTs shall ensure all compliance on UWP as per the PMAY-U 2.0 Guidelines before start of any construction activity/Tender Activity. Further, in the present scenario, States/UTs who have not yet submitted these details in the DPR, are required to submit this compliance at the earliest. The subsequent DPRs/Proposals of AHP verticals shall only be considered by CSMC when these compliances are submitted by the States/UTs.

States/UTs shall endeavour to get already completed houses occupied under AHP/ISSR vertical of PMAY-U in a city on priority, before starting new projects under PMAY-U 2.0 in the same city. In fact, old constructed Central or State government funded houses may also be allotted to eligible PMAY-U2.0 beneficiaries but such houses should not be kept unallotted and unoccupied.

Additionally, States/UTs were directed to formulate their respective Affordable Housing Policies, drawing on successful practices and experiences from other States/UTs. In this context, good practices of Affordable Housing Policy notified by the Government of Maharashtra, may also be referred during the formulation of their Affordable Housing Policy, incorporating reforms mandated under PMAY-U 2.0 Scheme guidelines.

9. The Secretary, MoHUA informed that conference with the Secretaries in charge of urban affairs in the State/UT Governments should be held to assess the housing issues and good practices followed by them for replication in other States/UTs. He further advised that Transit Oriented Development (TOD) driven housing projects near metro and NAMO Bharat stations in convergence with urban centres should be encouraged.

10. Thereafter, Joint Secretary & Mission Director (HFA) introduced the **agenda** for both 3rd CSMC meeting of PMAY-U 2.0 and 73rd CSMC meeting of PMAY-U. It was highlighted that 7,09,979 houses have been approved so far, including agenda proposed in meeting under PMAY–U 2.0. It was highlighted that, to achieve the annual target under PMAY-U 2.0, approximately 6–7 lakh houses will be considered for sanction each quarter by the Mission and States may also propose mare number of houses as per their requirement. The agenda items also form part of the minutes. The minutes recorded in alphabetical order are as follows:

13	**Setting up of Research Centre on Affordable Housing (Agenda 13)**

A. Basic Information:

The Committee was informed that National Institute of Urban Affairs (NIUA), an autonomous body under the aegis of Ministry of Housing and Urban Affairs (MoHUA), has submitted a proposal for setting up a Research Centre on Affordable Housing. The proposed Centre will function within the institutional framework and aims to strengthen affordable housing policy, research, and implementation in alignment with the objectives of PMAY-U 2.0 and the broader Viksit Bharat Vision 2047.

i. **Need for setting up of Research Centre:**

- India's rapid structural and demographic transformation marked by urban migration, rural economic shifts, and an aging population are reshaping the nature of housing demand. Young workers increasingly seek rental options near employment hubs, while older citizens may require retirement-oriented housing. The manufacturing sector's growth also hinges on affordable housing for migrant labour. These

trends highlight the need for a responsive and diverse housing ecosystem that can adapt to evolving needs.

- As the Government is committed to the role of facilitation, the private sector developers, financial institutions, digital platforms, and property managers are expected to play a larger role. Ensuring housing adequacy and affordability will require integrated urban planning (especially land and transport), adoption of efficient construction technologies, access to real-time housing data, and platforms that enable dialogue among stakeholders to shape effective policy and market responses.
- Given that housing is a vital barometer for a nation's economic well-being, and also an essential asset for households seeking dignified and secure futures, a research centre dedicated to promoting affordable housing and related policies will go a long way in supporting the Viksit Bharat Vision 2047. The 'Affordable Housing Research Centre' will contribute by conducting ongoing research on demand and supply dynamics and systems, exploring and monitoring housing policy responses and the status of reforms across centre and state levels, and articulating the economic multiplier effects of housing interventions.

ii. **Objectives of the Proposed Research Centre:**

- To conduct primary research on housing using diverse statistical analysis tools, particularly to explore key hypothesis around understanding evolving demand patterns and supply dynamics
- To document nationwide and global good practices and case studies that address key housing challenges, particularly with relation to affordable housing
- To build and maintain a data repository of indicators related to housing, with a focus on affordability, access, inclusion and adequacy
- To support housing-related policy conversations at the Centre and State levels with relevant data and knowledge inputs
- To produce outputs and organise convenings that serve to inform diverse policy and market actors and help build consensus for generating creative solutions to key affordable housing challenges
- To generate and disseminate knowledge about housing and its links with the economy and social well-being.

iii. **Proposed Staffing Structure:**

The proposed Research Centre on Affordable Housing will function as a dedicated team and will adhere to all the governance systems and processes already established. It would be staffed as below:

- 2 Leads – for research and partnerships - each with 10+ years' experience, with proven record of research, publication and policy engagement in the Indian housing sector
- 2 Senior Research Fellows with 5-8 years' experience

- 4 Junior Research Fellows with 2-5 years' experience
- 4 Research Interns on rotation, with up to 6 months of engagement
- 4-5 affiliated private sector consultants with specific expertise, like housing finance, real estate data, etc.

(iv) Outputs:

The output of the Research Centre on Affordable Housing as detailed in the proposal is given below:

Parameters	Outputs
Research	Academic papers Research reports Conference participation Learnings from International Experiences Annual "State of Affordable Urban Housing in India" report
Data repository	Dashboard
Policy engagement	Policy memos and briefs Convenings – workshops, roundtables, conferences
Dissemination and outreach	Dedicated website Social media Blog Annual "State of Affordable Urban Housing in India" conference

(v) Financial requirement (for 3 Years):

Total				5,57,15,000

	(Say Rs. 5.6 crore)

(vi) Provisions under PMAY-U 2.0 Scheme Guidelines

As per Para 11.5.12 of PMAY-U 2.0 Scheme Guidelines, any other activities which are required for building the capacity for implementing the Mission or in general for augmenting the capacity of Centre, States and ULBs in this sector can be taken up with the approval of CSMC.

B. CSMC Observations:

The Committee observed that data generation, compilation and statistical analysis to understand housing dynamics keeping in view the vision of Viksit Bharat 2047 is the need of the hour. This activity will support housing-related policy interactions at the Central and State levels with relevant data and knowledge inputs for better understanding housing related issues especially in the area of affordable housing. CSMC directed that international experiences of China, Singapore and OECD countries particularly France and Netherlands should be incorporated while finalising the Terms of Reference (ToR) of proposed Research Centre. Further, proposed Centre should engage stakeholders like UN-Habitat for cross learnings.

C. CSMC Decision:

In view of the above, the CSMC in-principle **approved** the following proposal:

1. Setting up of Research Centre on Affordable Housing (in collaboration with other centres who are dealing with such activities). The location and hosting agency, etc. for this centre will be determined later.
2. Release of ₹5,57,15,000/- over the period of three years in three instalments as per the details given above under Capacity Building activities of PMAY-U 2.0.

17,788	76,988.75	26,682.00	35,576.00	--	14,730.75

Reason for Curtailment of 409 houses in 116 BLC Projects

- Beneficiary has taken benefit in another component.
- Planning to migrate in another city.
- Financial crisis due to increase in price of construction material.
- Family disputes etc.

ii. **Cancellation of 1 AHP-PPP Project (7,434 houses)**

Details of 1 AHP -PPP Project

1	24-07-2018	36th	1	7,434
Total			**1**	**7,434**

Reason for Cancellation of 1 AHP -PPP Project (7,434 houses)

- The beneficiaries have 2 options to choose from either ₹1.50 lakh under AHP-PPP or ₹2.67 lakh interest subvention under CLSS.

- The beneficiaries have chosen & taken benefits under Credit Linked Subsidy Scheme (CLSS). In view of this State has requested the cancellation of Project

B. CSMC Observations:

The State Government should have taken due diligence in identifying the eligible beneficiaries while formulating the proposal and seeking approval of CSMC. It should be ensured that no eligible beneficiary is deprived of the benefits due to the proposed curtailment/surrender. The State Government may ensure proper documentation and record of the earlier identified beneficiaries to avoid any future dispute and resentment of the beneficiaries in case of curtailment/surrender of the houses/projects.

C. CSMC Decision:

After detailed deliberations, the CSMC **approved** curtailment of 409 houses in 116 BLC projects and cancellation of 1 AHP-PPP project (7,434 houses) sanctioned in different CSMC meetings as proposed by the State Government of **Gujarat** and directed as under:

a. State must ensure that the DPRs where the curtailment has been proposed are revised accordingly and uploaded on the website of SLNA/Department immediately.
b. Central Assistance released, if any, for these beneficiaries in different projects may be adjusted in subsequent releases to the State.
c. State Government must ensure uploading of revised signed annexure (7B/7C) and remove the curtailed beneficiaries from PMAY-U-MIS.
d. State should ensure that no eligible and willing beneficiary is removed/curtailed.

The details of curtailed houses (CSMC-wise and project-wise) are at **Annexure I (A-B).**

15	**Proposal for Reinstatement of 497 houses under PMAY-U Mission as requested by UT of Jammu & Kashmir (Agenda 14)**

A. Brief Information:

The Committee was informed that the UT Govt. of Jammu & Kashmir has submitted a proposal for reinstatement of 497 houses, which were approved earlier by CSMC in its 56th meeting. The SLSMC in its meeting held on 5.6.2024 has approved reinstatement of houses in BLC projects.

B. Reasons for reinstatement of projects/houses under BLC verticals given by the UT:

As stated in the minutes of various meetings of SLAC, the reasons for reinstating of projects/houses under BLC vertical are as under:

- The UT proposed the curtailment of beneficiaries during 56th CSMC meeting after obtaining approval from its SLSMC meetings. However, site verification revealed that 497 beneficiaries were wrongly curtailed, despite their intention to benefit from the scheme. Therefore, the UT is requesting the reinstatement of these 497 beneficiaries, who are already part of PMAY-U but were removed unintentionally.

- Reinstatement of beneficiaries who were earlier declared ineligible and now found eligible, considering the appeal of the beneficiaries by the concerned Divisional Commissioner.
- In the 9th SLSMC meeting, led by the Chief Secretary, it was suggested that beneficiaries declared ineligible have the right to appeal to the relevant Divisional Commissioner if they disagree with this decision. Additionally, during the 56th CSMC meeting, the MoHUA instructed that "the Union Territory should ensure that no eligible and willing beneficiary is removed or curtailed."
- In line with this directive, the J&K Housing Board published a list of ineligible beneficiaries on its official website. This action aimed to inform beneficiaries found ineligible during verification due to various reasons, including land documents not in the beneficiaries' names, residency outside municipal limits, ineligibility due to increased income, previous benefits from housing schemes, land located in forests or flood-affected areas, land disputes, or being untraceable.
- In total, 947 beneficiaries appealed, and additional evidence was provided to clarify misunderstandings related to their eligibility. The respective Divisional Commissioner reviewed the cases and recommended them to the concerned District Development Commissioners and J&K Housing Board for fact-checking and joint verification by the Revenue and Housing Department. On verification, 497 beneficiaries were found eligible and are proposed to be reinstated as beneficiaries by the concerned District Development Commissioners, are now entitled to receive the benefits under the scheme.
- Considering the above facts, the eligibility of 497 beneficiaries of Srinagar Municipal Corporation and Khrew Municipal Committee is proposed to be restored so that they may complete their houses under the scheme.

C. CSMC Decision:

After detailed deliberations, the CSMC **approved** reinstatement of 497 houses in 9 BLC projects approved in 56th CSMC meeting for UT of **Jammu & Kashmir** and directed as under:

a. Central Assistance released for the proposed reinstatement of projects/houses may be adjusted in the subsequent releases to the UT.
b. UT Govt. to ensure uploading of revised signed Annexure 7C/7D on PMAY(U)-MIS.
c. UT to ensure that all the DPRs where reinstatement is proposed are revised accordingly and uploaded on website of SLNA/Department.

The details of reinstated houses are at **Annexure II.**

16	**Proposal for** i. **Reinstatement of 1 BLC Project (470 houses)** ii. **Addition of 252 houses in 3 BLC Projects** iii. **Adjustment of 4 houses by reducing them from one BLC project and adding the same 4 houses to another BLC project under PMAY-U received from the State of Maharashtra (Agenda 15)**

A. Brief Information:

The Committee was informed that the State Government of Maharashtra has submitted a proposal for reinstatement of 1 BLC project (470 houses), addition of 252 houses in 3 BLC projects and adjustment of 4 houses by reducing them from one BLC project and adding the same 4 houses to another BLC project earlier approved by CSMC in its various meetings under PMAY-U Mission. The SLSMC in its meetings held on 4.9.2024 has approved the above proposals. The details of projects/houses proposed for reinstatement, addition, adjustment of houses and revised project cost and Central Assistance are mentioned as under:

(i) Reinstatement of 1 BLC Projects (470 houses)

Proposal for CSMC Approval *₹ in lakh*					
No. of Houses	Project Cost	Central Assistance	State Share	ULB Share	Beneficiary Contribution
470	3139.07	705.00	470.00	0.00	1964.07

Reason for requesting reinstatement of 1 BLC Projects (470 houses)

i. The BLC project of Angar Municipal Council was approved in 60th CSMC as a new project, but Angar city was not included in mission city till 65th CSMC. Hence it was proposed for cancellation in 65th CSMC and project was cancelled, but immediately after cancellation, Angar city has been added as mission city on MIS portal vide notification no. Mun-2021/CR289/UD18. Hence, the project has been repeatedly proposed for ratification and re-instate of same project as the houses are already grounded.

Reason for addition of 252 houses in 3 BLC Projects

252 houses are proposed for addition under BLC vertical for Ambarnath, Georai & Gadchiroli Municipal Councils, as those beneficiaries have grounded their house but unintentionally got curtailed in CSMC meeting as proposed by the State.

(iii) Adjustment of 4 houses by reducing them from one BLC project and adding the same 4 houses to another BLC project.

Reason for Addition

The BLC project of Kurundwad Council with an original DUs of 38 was supposed to be revised to 35, but due to a typing mistake in SLSMC Minutes, it was revised to 31 in the 69th CSMC.

B. CSMC Observations:

The State Government should have taken due diligence in identifying the eligible beneficiaries while formulating the proposal and seeking approval of CSMC. It should be ensured that no eligible beneficiary is deprived of the benefits due to the proposed reinstatement/adjustment etc. The State Government may ensure proper documentation and record of the earlier identified beneficiaries to avoid any future dispute and resentment of the beneficiaries.

C. CSMC Decision:

After detailed deliberations, the CSMC **approved** reinstatement of 1 BLC Project (470 houses), addition of 252 houses in 3 BLC Projects and adjustment of 4 houses by reducing them from one BLC project and adding

the same 4 houses to another BLC project as requested by the State Government of **Maharashtra** and directed as under:

a. State must ensure that the DPRs where the reinstatement/addition/adjustment has been proposed are revised accordingly and uploaded on the website of SLNA/Department immediately.
b. Central Assistance released, if any, for these beneficiaries in different projects may be adjusted in subsequent releases to the State.
c. State Government must ensure uploading of revised signed annexure (7C) and remove the curtailed beneficiaries from PMAY-U-MIS.
d. State should ensure that no eligible and willing beneficiary is removed/curtailed.

Para-wise details are at **Annexure III (A to C)**

17	GENERAL OBSERVATIONS

i. The focus of the PMAY-U Mission is now on completion of all sanctioned projects with its deliverables, States/UTs need to draw an action plan for grounding and completion of all sanctioned houses/project within stipulated timeframe of 31stDecember 2025 and further advised to launch a special drive/campaign for this purpose.
ii. States/UTs shall endeavour to occupy the already completed but unoccupied houses under AHP vertical in a city before proposing for next project proposals under PMAY-U 2.0 in the same city.
iii. States/UTs also need to expedite submission of compliances such as UCs against earlier releases, ATR on TPQMA reports duly approved by SLSMC, status of social audit, updation of data in MIS etc. for release of **2nd and 3rd instalments** of Central Assistance.
iv. Regular review of progress of geo-tagging for various stages of house construction needs to be done by the States/UTs and ensure that only good quality images are uploaded which are in public domain.
v. States/UTs should ensure that the **PMAY-U logo** is displayed in front of all housing units constructed under the Scheme. It may be noted that the beneficiary details with the logo on the stone plate should preferably be in local language. States/UTs should not display any such information which is in violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.

vi. The Central Assistance released under PMAY-U Mission should be utilized within the time frame stipulated in the respective sanction orders. The States should transfer the interest accrued on the unspent balance to Bharat Kosh via PFMS every quarter as per the SOP circulated by Ministry of Finance.

vii. States/UTs are advised to set a judicious limit in the PFMS in a manner that ULBs with faster progress are able to utilize funds commensurate with their performance, to enable faster completion of houses and ensure that their progress is not hampered due to lack of funds.

viii. With regard to the vacant houses, if any, under JnNURM/RAY, the State Governments/UTs should look for realistic and pragmatic options for converting them into ARHCs.

ix. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY-U. The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.

x. All states to ensure updation of the legacy data pertaining to pre and post SNA mapping information in PFMS to remove any deficit of funds reflected in PFMS reports.

xi. It has come to notice that data on progress of construction of houses reported in PMAY-U-MIS and those discussed in the CSMC meetings varies many a time. States/UTs must upload **online Monthly Progress Reports (MPRs)** of all sanctioned projects in PMAY-U-MIS latest by 10th of every month so that the data are reconciled before every CSMC meeting.

xii. For geo-tagging of houses under PMAY-U, the quality of the photograph is essential for the correct assessment of the progress of BLC houses through defined 5 construction stages. The State may ensure the resolution and size, direction and angle, of the photographs captured should be clear/haze free. The pictures of all construction stages of the house should have a picture of the beneficiary along with the house. Further, 100% Geo-tagging of completed houses under AHP/ISSR component should be ensured.

xiii. The State/UTs must ensure that after getting approval from CSMC for sanction/curtailment/cancellation of projects under PMAY (U) 100% project entry and beneficiary attachment in MIS. the States/UTs are further requested to complete the revision cycle of the revised/curtailed projects in MIS as marked by the Ministry. The State may submit the physical/financial MPR for each month in MIS and ensure that the physical progress of

houses as reported in physical MPR is reflected in the geo-tagging stages captured on the Bhuvan Server.

xiv. States/UTs should use innovative, cost effective and high-quality construction technologies for constructing the housing units under PMAY-U and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.

xv. State/UT Governments are advised to ensure that:

a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.
b. There should be no duplication/change in the identified beneficiaries.
c. Demarcation of land and mutation is carried out before implementation of the projects.
d. The design and construction of houses are disaster resilient, and the specifications conform to IS/NBC norms.

xvi. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY-U fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/ registration fee for applying for houses in PMAY-U. Thus, individual/agency/organization cannot collect any money/application fee from the beneficiary for enrolment under PMAY-U. All State/UT Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this kind of fraudulent activity.

xvii. State/UT Governments may prepare **short films, printed literature/documents** on projects undertaken under PMAY-U to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and in various social media platforms for generating awareness. The State/UT Governments should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.

xviii. A PMAY-U Mobile App has already been provided by the Ministry to enable beneficiaries to upload their photos with their house and a video clip where beneficiaries share experience of owning a house under PMAY-U as testimonials. The App can be downloaded from Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.

- The UT proposed the curtailment of beneficiaries during 56th CSMC meeting after obtaining approval from its SLSMC. However, site verification revealed that 497 beneficiaries were wrongly curtailed, despite their intention to benefit from the scheme. Therefore, the UT requested for the reinstatement of these 497 beneficiaries, who are already part of PMAY-U but were mistakenly removed.
