Minutes of the $47^{\text {th }}$ meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Aws Yojana (Urban) - Housing for All Mission held on $25^{\text {th }}$ September, 2019.

The $47^{\text {th }}$ meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) [PMAY (U)] was held on $25^{\text {th }}$ September, 2019 at 02.30 ppm. in the Conference Room, Nirman Bhawan, New Delhi, with Secretary, Ministry of Housing and Urban Affairs in Chair. The list of participants is at Annexure-I.
2. At the outset, the Secretary, Ministry of Housing \& Urban Affairs (MoHUA) welcomed the participants/representatives from the State Governments, participants/officers of the Ministry and other Departments. Following observations were made for compliance by all State/UTs Governments.
i. Angikaar (अंगिकार), an intensive campaign in all PMAY(U) citieswas launched on $29^{\text {th }}$ August 2019 by the Ministry of Housing \& Urban Affairs, Government of India. The purpose of this campaign is to converge with various urban Missions and other Ministries like Health \& Family Welfare, Jab Shakti, Environment Forest \& Climate Change, New \& Renewable Energy, Petroleum \& Natural Gas, Power etc. of the Government of India, to avail benefits of their schemes. This will facilitate PMAY (U) beneficiaries to not only get acclimatised to the new environment, but also adopt best practices and lead a healthy life while maintaining common infrastructure and basic civic facilities. The Committee took note of the initiatives taken by the State Governments particularly Jharkhand and Madhya Pradesh in propagating Angikaar campaign in different parts of the State. It was again requested that all State/UT Governmentsmust actively participate in the Angikaarcampaignand extend help to all the beneficiaries of the PMAY (U) to have a decent life.
ii. The Pradhan Mantri Awas Yojana (Urban) has completed four years and many State Governments have shown remarkable progress in achieving Government of India's target for providing Housing for All by 2022. Given that more than 90 lakh houses have been sanctioned so far, the prime focus is now to start projects which have not been started due to any reason so that the same are completedwithin the Mission period.
iii. State/UT Governments should now get their demand saturated and send proposals for their remaining demand of housing under PMAY (U) for approval of CSMC latest by March, 2020 so that the houses sanctioned are progressively completed by 2022. A rational study on the actual demand of houses may also be conducted and all demand should be got sanctioned before March, 2020 positively.
iv. It has come to notice that progress of construction data reported in PMAY(U)-MIS and discussed in the CSMC meetings varies many a time. States/UTs must upload online Monthly Progress Reports (MRs) of all sanctioned projects in PMAY(U)-MIS latest by $10^{\text {th }}$ of every month.
v. In spite of repeated observations by CSMC, Junior officials/Consultants etc. are being deputed by the State/UT Governments to attend CSMC meeting(s). CSMC is an apex Committee under Chairmanship of Secretary, MoHUA and therefore, the Principal Secretary/Secretary/Mission Director looking after the PMAY(U) matters in the State/UT Governments should only participate in the CSMC meetings to apprise the progress as well as policy level decisions and interventions being taken at the State/UT Government level for successful implementation of PMAY (U).
vi. With regard to unspent balance available with the State Governments, it was reiterated that para 14.7 of the PMAY $(\mathrm{U})$ scheme guidelines allow State Governments to utilize the fund for other ongoing sanctioned projects of PMAY(U). Similarly, matching State/ULB share in the sanctioned projects under PMAY (U) may be released in time so that progress of construction of houses is not affected.
vii. With respect to SLTC and CLTCs, States/UTs were advised to engage qualified and efficient professionals as per the capacity building financial guidelines and norms. This will help States/UTs in delivering quality output in PMAY (U) activities and monitoring.
viii. Logo of the PMAY (U) scheme must prominently be displayed (stone plate embossed) in all houses constructed with Central Assistance under PMAY (U).
ix. In some States/UTs, there are large numbers of completed houses which are lying unoccupied under JnNURM. In spite of repeated assurances given by the representatives of the State/UT Governments, these houses have not been allotted. All State Governments must ensure allotment and occupancy of these completed houses by end of October, 2019. Further, all excess Central Assistance lying with them for JnNURM projects must be refunded with interest immediately. Pending UCs under JnNURM and RAY should also be submitted without any further delay.
x. State Government should appoint agencies to monitor and scrutinise the land issues and viability of the $\operatorname{PMAY}(\mathrm{U})$ scheme on ground for each vertical. It should be done zone wise. Mid Term assessment should also be taken under consideration for all the schemes under PMAY(U)
xi. As announced by the Hon'ble Prime Minister of India in his speech on $15^{\text {th }}$ August, 2019 at Red Fort, Delhi, all State/UT Governments may encourage use of jute, cloth bags instead of plastic bags/polythene which are hazardous to our environment. State/UT Governments may take initiative by adopting environment friendly products made of paper, cloth, leaves etc. and avoid all type of plastic materials like water bottles, containers, seminar bags, glasses, pouches etc. in all meetings/seminars/canteens etc. Encouragement to small scale industry for preparation and marketing of jute/cloth bags may be given and strict enforcement of ban on plastic items for carry bags purposes may be ensured as per law.
xii. As per PMAY (U) Guidelines, the State/UT Governments must ensure that the houses constructed under PMAY (U) should be allotted in the name of the woman beneficiary or jointly with spouse/husband.
xiii. Submission of Utilisation Certificates in respect of Central Assistance released inlcuding funds released through Extra Budgetary Resources, (which is an interest bearing fund), is mandatory as per General Finance Rules. State/UT Governments must ensure timely submission of UCs and if due to any specific
reasons the same is not possible, Provisional Utilisation Certificate on utilisation of funds may be furnished.
xiv. Among others, the States of Tamil Nadu, Gujarat, Madhya Pradesh, Jharkhand who have actively participated in the Global Housing Challenge must ensure that that the projects under the Challenge are grounded in the month of October, 2019.
3. Thereafter, Joint Secretary and Mission Director (HFA) introduced the agenda for the meeting. The agenda items also form part of the minutes. The item-wise minutes are recorded as follows:

## B. Additional information given by the State:

| i. | Workshops on Angikaar campaign are being organised in various cities all over the State to <br> sensitize beneficiaries to adopt best practices and lead a healthy life while maintaining <br> common infrastructure and basic civic facilities in their locality. |

| vii. | It was requested for relaxation for release of $2^{\text {nd }} / 3^{\text {rd }}$ instalment of Central Assistance in <br> case of BLC houses which have been completed by the beneficiaries and whose data has <br> been entered in PMAY-(U)-MIS. The State Government find it difficult to claim $2^{\text {nd }} / 3^{\text {rd }}$ <br> instalment in respect of other beneficiaries who have either not started construction or <br> there is change in beneficiaries for any reasons. |

## C. CSMC observations:

| i. | In respect of relaxation of release norms, it was explained that the next instalment of <br> Central Assistance is processed for release based on the utilisation of $70 \%$ of fund <br> released and submission of ATR on TPQMA reports in a sanctioned project. The funds <br> cannot be released in staggered manner in a project depending on number of completion <br> of houses due to financial prudence. Ideally State Governments, while claiming $2^{\text {nd }}$ <br> instalment should ensure attachment of all beneficiaries in PMAY (U)-MIS in a project <br> and monitor progress of construction so that the $2^{\text {ndinstalment is released to all such }}$ <br> beneficiaries. However, in case beneficiaries have left, died or not available, the funds can <br> be adjusted against subsequent instalment in a sanctioned project. |
| :--- | :--- |
| ii. | The State has an unspent balance of Rs. 2190.97 crore under PMAY (U) for which <br> Utilization Certificates may be submitted at the earliest. ## 13 Presentation on PMAY(U)-MIS

During the meeting, a presentation was made covering the following aspects of PMAY (U):

1. Angikaar - A presentation was made on Angikaar module developed in PMAY (U) mobile application to enable Angikaar Resource Persons (ARPs) to capture need assessment of PMAY (U) beneficiaries during the door-to-door survey. State/UT wise data entry status was also discussed on following parameters: -

- Registration of ARPs in PMAY(U)-MIS system
- Submission of need assessment through PMAY (U) Mobile application by registered ARP.
- Uploading of IEC calendar for Angikaar in PMAY(U) MIS from State Login
- Uploading of Qualitative and Quantative Impact Assessment in PMAY(U) MIS systetn

2. PMAY(U) Mobile Application alongwith State/UT wise status of uploading of photos, sclfies and video by Beneficiaries through Mobilc App. States /UT's were requested to
moderate photos, selfies and videos from their login so that it will come to central login for further moderation.
3. States/UTs and CSMC data scrutiny in PMAY(U)-MIS:All States/UT were requested to take necessary action for updation of data in PMAY (U) MIS with respect to the following aspects:-
a. Difference in count between total projects approved by CSMC and total annexure uploaded for these projects by State/UT.
b. Difference in count between total houses sanctioned by CSMC and total beneficiaries attached by State/UT.
c. Total number of projects required category and gender modification (due to difference in count of category and gender between project approved by CSMC and project's annexure uploaded in PMAY (U) MIS by States/UTs
d. Aadhaar mismatch cases where name of beneficiary entered in PMAY (U)-MIS is not as per name in Aadhaar card.
e. Duplicate Aadhaar cases where one Aadhaar is entered against multiple beneficiaries in PMAY (U)-MIS.
f. Number of cases for which family detail entry in PMAY(U)-MIS is missing, in case of single status of Beneficiary
g. Number of cases where Joint Ownership details are missing in PMAY(U)-MIS, in case of married male beneficiary.
4. Bharat Map Mobile App: For geo-tagging of AHP/ISSR projects DPR wise, location wise, Block wise, Construction Type and construction stage wise, Bharat Map mobile application is available.State/UT were requested to issue necessary directions to the concerned officials to register all surveyors in PMAY (U) MIS system from ULB login and to geo-tag all the projects under AHP/ISSR (including projects already geo-tagged with old Mobile App) with upgraded version of Mobile App.
i. States/UTs should ensure that the PMAY (U) logo is displayed in front of all housing units constructed under funding support of the Government of India. However, State/UTs should not display any such information which may amount to violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.
ii. State Governments may prepare short films, printed litetature/documents on projects undertaken under PMAY (U) to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and also in various social media platforms for generating awareness. The State Government should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.
iii. The State/UT Governments should consider ISSR component of PMAY (U) for rehabilitation of slums by using land as a resource and which is available with the State/UT/ULBs.
iv. The Central funds in general and EBR funds in particular released under PMAY(U) mission should be passed on to the ULBs/Implementing Agencies within the time frame stipulated in the respective sanction orders and registration of all ULBs on PFMS may be ensured by all State/UT Governments. This is a very important matter hence appropriate arrangements and safeguards must be built in.The EBR fund is an interest bearing fund and it is important that the funds so released to the State do not remain parked with SLNA/State Government, but is utilized on fast pace for the purpose it has been released. Any interest earned on the parked fund will be adjusted/ recovered against subsequent instalments in the sanctioned projects under PMAY (U).
v. With regard to the vacant houses, if any, under JnNURM, the State Governments/UTs should look for realistic, pragmatic options so as to allot these houses to eligible beneficiaries in urban areas without any further delay.
vi. A robust MIS System being critical for PMAY (U) Mission. States need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY (U)-MIS. All States/UTs to ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.
vii. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY (U).The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be $100 \%$ Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.
viii. States/UTs need to expedite grounding of approved projects so that they are completed within the timeline.
ix. The States/UTs should submit project proposals for consideration of CSMC by $\mathbf{1 5}^{\text {th }}$ of each month so that site scrutiny/desk scrutiny in respect of identified DPRs can be done before the CSMC holds meeting.
x. HFAPoA should have been submitted prior to bringing project proposals for that city. If not, justification for delay should be provided.
xi. The State/UT Governments may make provision of cistern in toilet, two platforms inkitchen, cemented almirah/slab, storage space in living room, loft, etc. which are basicrequirement for a family. Similarly, plantation drive may be organised on completion ofconstruction work especially in AHP and ISSR projects to increase green cover at thelocality.
In BLC projects, houses should be constructed little away from the existing road, wherever possible, for better planning and ease of traffic movement. It was reiteratedthat PMAY (U) addresses the aspiration of human being for a better and dignified life. All out efforts should be made to provide maximum facilities.
xii. Housing demand along with infrastructure in aspirational districts to be prioritised and completed immediately.
xiii. The State/UT governments may consider G+7 units under AHP and ISSR projects with lift facility as land is a scarce resource. The maintenance cost of the lift can be managed by the resident welfare society once houses are occupied.
xiv. States/UTs should implement innovative, cost effective and high quality construction technologies for constructing the housing units under PMAY (U) and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.
xv. First instalment of Central Assistance in case of BLC/ISSR projects shall be released on the basis of Aadhaar seeded beneficiaries in PMAY (U)-MIS.
xvi. Further, the first instalment of Central Assistance in respect of ISSR and AHP projects shall be released on confirmation from the State/UT Government(s) about selection of Developer and issuance of work order. With respect to AHP projects, the $2^{\text {nd }}$ instalment of Central Assistance shall be released after Aadhaar seeding of all beneficiaries iscompleted in the project and entered in PMAY (U)-MIS by the State/UT Governments.
xvii. State Level Appraisal Committee is expected to thoroughly appraise the DPRs before submitting the same to State Level Sanctioning \& Monitoring Committee for approval. Combining SLAC and SLSMC meeting is not permissible as the mandate of the two bodies is distinct.
xviii. Allotment of houses in AHP and ISSR vertical of PMAY (U) should be Aadhaar enabled, provision for which has already been made in PMAY (U)-MIS.
xix. State/UT Governments are advised to ensure that:
a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.
b. There should be no duplication/change in the identified beneficiaries
c. Dematcation of land and mutation is carried out before implementation
d. The design and construction of houses is disaster resilient and the specifications conform to IS/ NBC norms.
xx. The MoHUA has formulated 'PPP Models for Affordable Housing' to enable States/ UTs to facilitate private sector participation, in order to meet the growing need of affordable housing in the country. The States/UTs are advised to make use of these guidelines suitably for PPP projects on affordable housing.
xxi. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY (U) fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/registration fee for applying for houses in PMAY (U). Thus, no individual/agency/organization can collect any money/application fee from the beneficiary for enrolment under PMAY (U). All State/UT Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this kind of fraudulent activity.
xxii. The Ministry has launched a PMAY (U) Mobile App to enable beneficiaries to upload their photos with their house and a vedio clip where beneficiaries share experience of owning a house under PMAY (U) as testimonials. The App can be downloaded from Google Play Store. The State/UTs may inform their beneficiaries to upload the same using this Mobile App.

The meeting ended with a vote of thanks to the Chair.
