Reflections post interaction with Hon'ble Prime Minister

It was indeed a dream come true for the Pradhan Mantri Awas Yojana (Urban) [PMAY(U)] beneficiaries. The 3rd anniversary celebrations of PMAY (U) witnessed beneficiaries interacting directly with the Hon'ble Prime Minister on July 28th 2018, at Lucknow. The event provided them a platform to share their experiences and how the PMAY (U) houses have improved and transformed their lives with the Hon'ble Prime Minister. It became a life time memory to cherish.

The interaction impacted their lives and these beneficiaries have become role models in their respective States/UTs as stated by the media reports. They received grand welcome back home. Family, friends, neighbours and concerned officials were eager to know the about their experience of interaction with the Prime Minister. They wanted a complete testimony of the beneficiary's experience who were overwhelmed. Beneficiary and friends distributed sweets to everyone around sharing the happiness.

PMAY beneficiary gets to meet Modi

Berhampur: Not many who live life amid daily struggle get to speak about them to a country's prime minister. On Saturday, 42-year-old Mamata Kumari Panda of Haradakhandi in Berhampur did just that.

The Prime Minister Awas Yojana (Urban) beneficiary was among 34 others who spoke to PM Narendra Modi about the scheme at Lucknow.

"I had never expected to get such an opportunity. The PM was very happy when he came to know that I am from Odisha," said the mother of two, who was the only beneficiary to have travelled for the meeting from the state.

During the 10-minute interaction, Modi, says Mamata, asked her about the money she received to complete her house, her family members, and her background. "Earlier I lead a very miserable life in an asbestos house, which leaked in the monsoons. Now I have a 300-square-foot pucca house with financial help from PMAY," she said.
