angikaar- Training of Trainers (ToT) Workshop in States/UTs

What is angikaar

angikaar - a campaign for change management.

Mahatma Gandhi had envisioned a clean, green, healthy and litter free India. As India commemorates his 150th birth anniversary, Bapu's principles continue to guide us on our journey towards "New India". In line with Gandhiji's vision, Pradhan Mantri Awas Yojana (Urban) launches angikaar, a campaign to mobilise PMAY(U) beneficiaries for social behaviour change management.

The overwhelming response to Angikaar Campaign can be seen though the efforts of TOT Workshops conducted by the States/UTs across the country in the month of September 2019. Here are some glimpses of TOT Workshops.
