"I urge the countrymen to start the 'Amrit Kaal' today by nurturing new possibilities, realizing new resolutions and moving ahead with confidence. The 'Amrit Mahotsav' of freedom has turned in the direction of 'Amrit Kaal' and, therefore, 'Sabka Prayas' is necessary in this 'Amrit Kaal'. 'Sabka Prayas' is going to yield this result. The spirit of Team India is going to take the country forward. This Team India of 130 crore countrymen will realize all the dreams by moving forward as a team."

- Hon'ble Prime Minister during 76<sup>th</sup> Independence Day celebrations on 15<sup>th</sup> August 2022

## Union Cabinet approves continuation of PMAY-U up to 31<sup>st</sup> December 2024

for completion of already sanctioned 122.69 lakh houses till 31<sup>st</sup> March 2022

On 10<sup>th</sup> August 2022, the Union Cabinet, chaired by the Hon'ble Prime Minister Shri Narendra Modi, approved the proposal of Ministry of Housing and Urban Affairs (MoHUA) for continuation of Pradhan Mantri Awas Yojana-Urban (PMAY-U) up to 31<sup>st</sup> December 2024, wherein financial assistance is to be provided for completion of all 122.69 lakh houses sanctioned till 31<sup>st</sup> March 2022.

During the period of 2004-2014, 8.04 lakh houses were completed under earlier Urban Housing Schemes. Under the leadership of Hon'ble Prime Minister Shri Narendra Modi, the issue of providing houses to all eligible Urban dwellers in saturation mode was brought into focus and the scheme of PMAY-U was conceptualised. In 2017, the original projected

demand was 100 lakh houses. Against this original projected demand, 103 lakh houses have been grounded for construction; out of these more than 62 lakh houses have been completed and delivered to the beneficiaries. Out of total sanctioned 122.69 lakh houses, proposals of 40 lakh houses were received during last 2 years of scheme from the States/UTs which require another two years to complete them. Therefore, based on the requests from the States/UTs, Union Cabinet decided to extend the implementation period of PMAY-U till 31<sup>st</sup> December 2024.

The continuation of the scheme up to 31<sup>st</sup> December 2024 will help in completion of already sanctioned houses under BLC, AHP & ISSR verticals.

## Message from JS&MD (HFA) Shri Kuldip Narayan

In the month of August, our efforts towards ensuring 'Housing for All' found a new momentum with Union Cabinet's decision to extend Pradhan Mantri Awas Yojana (Urban) till December 2024. This would help in completion of already sanctioned houses under different verticals of the Mission, thus fulfilling housing dreams of many more families. The announcement comes right in time when India celebrates Azadi Ka Amrit Mahotsav to mark 75 glorious years of Independence.

On Independence Day, team PMAY-U painted the country with different colours by hosting various activities for beneficiaries across the States/UTs. It was heartening to see everyone participating in the activities with full enthusiasm and fervour. I would like to complement the States/UTs for putting in the commendable effort to make the occasion successful, especially the Har Ghar Tiranga campaign initiated by the Government. PMAY-U beneficiaries came out in large numbers to take part in the campaign & also hoisted the National Flag in their pucca houses.

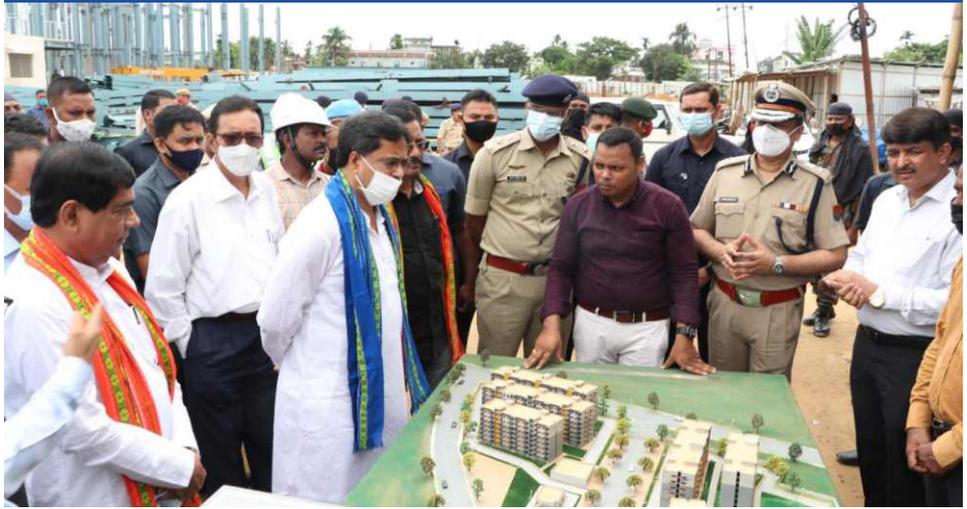

Apart from Independence Day, Raksha Bandhan and Janmashtami festivals were also celebrated by PMAY-U beneficiaries from the comfort of their houses.

Monitoring of different projects under PMAY-U is our foremost priority and it is being done by holding meetings with States/UTs, visits, internal review meetings & other modes.

We owe to all the eligible beneficiaries of urban India a roof over their heads & on that note, I would urge all of us associated with the Mission to work towards achieving this goal of ours.

Here's to add more happiness, more smiles in the lives of people & empowering them!

## PMAY-U beneficiaries celebrate Raksha Bandhan at their homes

PMAY-U is making the dream of owning a pucca house a reality for eligible families in urban areas across the country. Beneficiaries from various States/UTs celebrated Raksha Bandhan festival with their family members in their houses.

## PMAY-U: Fulfilling dreams of family for a new tomorrow

In this edition of PMAY-U E-Newsletter, PMAY-U brings a story of a brave heart from Gujarat, who gave 20 years of his life in serving the Nation. During his service from 1986-2006, Shri Movar Daudbhai had been posted in places such as Shillong, Kalimpong, Chennai, Sri Ganganagar, Udaipur and in Jammu & Kashmir, from where he retired from the post of a Sipahi (Naik). He was also part of Shanti Sena, which served in Jaffna in Sri Lanka. During a telephonic interaction, Shri Daudbhai tells us that everyone knows that life of an Army man is tough, but he always wanted to be part of the Indian Army and serve the country.

Recounting the experiences, they had to face in Jaffna, the ex-serviceman says, *"Wahan ladai jaisa mahaul tha, laga nahi tha kabhi ghar ja paenge. Humare troop ke kaafi log shaheed hogae the."*

While Shri Daudbhai was safeguarding the Nation, his wife and two children, a daughter and a son, stayed in their village near Gujarat's Kalavad. He says, "Constant tension about how the family is living used to be there, but when you are on duty, you forget everything, even your family." He recalls how the news of earthquake in Gujarat in 2001 had shook him. However, he adds, "Once I spoke to them, I was relieved that they are safe and there was not much damage in our village."

Shri Daudbhai returned home in 2006, after which he started working in the security team at a bank as a gunman. He says, "It

was important for me to be employed to take care of my family. My children were growing up and giving them proper education was my priority." To give them a proper life, he brought them to Kalavad, but lack of proper and permanent accommodation remained a stress for him.

It's been 15 years since he has been employed as a gunman and in 2021, a long-lost wish of the family was fulfilled after they saw their own pucca house being built brick-by-brick, with financial support under PMAY-U

"We were having a tough time living in a kutchha house. It was a miserable life, especially for my children. My wife also fell ill and suffered from paralysis. I struggled hard to give them a decent living, but it wasn't possible with the income I earned," he says, adding that it was the PMAY-U Scheme that came as a silver lining in their lives. Shri Daudbhai had a plot in Kalavad which he bought several years ago and when the doors of opportunity opened for the family through PMAY-U, he utilised the money in building his dream home under the Mission.

*"Humare liye humara ghar kisi bungalow se kam nahi hai. Hum kalpana karte the ki humara bhi pucca makaan hoga aur PMAY-U scheme ne use pura kiya. Hume ek pucca ashray mila hai, jiske tehat hum sukoon ki zindagi jee rahe hain,"* an elated Shri Movar Daudbhai says. He adds that life has transformed drastically for the family and there has been social upliftment. He takes pride in saying, *"Maine jo apni zindagi mein nahi socha tha vo karke dikhaya."*
