Hon'ble Prime Minister's address at inauguration of 'Azadi@75 - New Urban India' event

On 5th October 2021, Hon'ble Prime Minister Shri Narendra Modi inaugurated 'Azadi@75 - New Urban India: Transforming Urban Landscape' Conference-cum-Expo in Lucknow. The grand event was organised as part of 'Azadi ka Amrit Mahotsav'. Union Ministers Shri Rajnath Singh, Shri Hardeep S Puri, Shri Mahendra Nath Pandey, Shri Kaushal Kishore were present. Hon'ble Governor of Uttar Pradesh Smt Anandiben Patel and Hon'ble Chief Minister of Uttar Pradesh Shri Yogi Adityanath also graced the occasion.

Three exhibitions, namely 'New Urban India', 'Indian Housing Technology Mela' (IHTM) and 'UP@75: Transforming Urban Landscape in Uttar Pradesh', were set-up in the Conference-cum-Expo.

Hon'ble Prime Minister digitally handed over the keys of Pradhan Mantri Awas Yojana -Urban (PMAY-U) houses to 75,000 beneficiaries in 75 districts of Uttar Pradesh and also interacted virtually with three beneficiaries of the scheme in Uttar Pradesh.

Inaugural session of 'Azadi@75 - New Urban India' Conference-cum-Expo on 5th October 2021 at Lucknow, Uttar Pradesh

While addressing the gathering, Hon'ble Prime Minister extended an invitation to the people of Lucknow city and from various parts of the country to attend the Conference-cum-Expo and be a part of witnessing transforming Urban India.

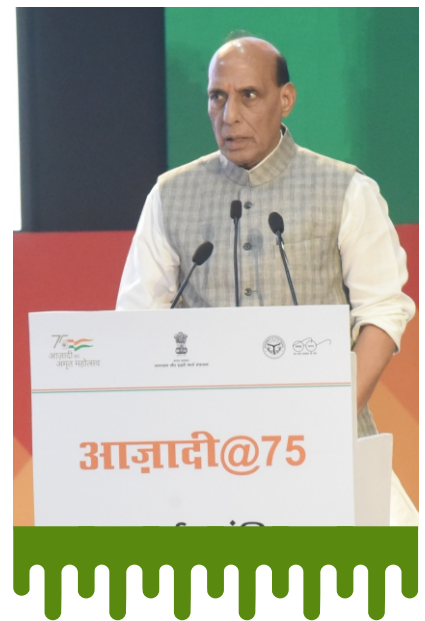

"Since 2014, our Government has approved the construction of more than 1.13 crore houses in cities under PM Awas Yojana. Out of this, more than 50 lakh houses have been built and handed over to the poor," Hon'ble Prime Minister said. He further spoke about how the Mission is promoting women empowerment by giving houses in the name of women beneficiary or

joint ownership. "I am also happy that of the houses being given under the PM Awas Yojana in the country, the ownership of more than 80 percent of them is with women or they are joint owners," Hon'ble Prime Minister added.

The Conference-cum-Expo was a 3-day event. It was open for public from 6th October and saw huge participation.

The Valedictory Session was held on 7th October in the august presence of Shri Ashutosh Tandon, Hon'ble Minister, Urban Development, Uttar

Pradesh, Shri Rajendra Kumar Tiwari, Chief Secretary, Govt of Uttar Pradesh and Dr. Rajneesh Dube, Additional Chief Secretary, Urban Development Department, Govt of Uttar Pradesh.

Quote

A building can be made from bricks and stones, but it cannot necessarily be called a house. But that building becomes a home when the dream of every member of the family is attached to it, there is belongingness, and the family members are working wholeheartedly for a goal. We gave complete freedom to beneficiaries right from the design of the house to the construction. They can build their houses as they wish.

About the Conference-cum-Expo

The Conference-cum-Expo was organised by the Ministry of Housing & Urban Affairs (MoHUA) from 5th to 7th October 2021 and was themed on transforming urban landscape with specific focus on the transformative changes brought about in Uttar Pradesh.

Three exhibitions were set-up in the Conference-cum-Expo, as under:

1. National Exhibition titled 'New Urban India', showcasing the achievements and future projections of the transformative Urban Missions. This exhibition highlighted the achievements under Flagship Urban Missions in the past seven years and projections for the future.

3. An exhibition to showcase performance of Uttar Pradesh under the Flagship Urban Missions and future projections as UP@75 themed 'Transforming Urban Landscape in Uttar Pradesh' was at display.

At IHTM, 79 technologies, covering different aspects of construction of low to medium height houses, were showcased. Participants at IHTM displayed wide range of technology like innovation in cement and concrete, environment-friendly and employment generating indigenously developed bamboo corrugated roofing sheets and ridge cap & bamboo wood; Block made from crop residues and industrial waste of fly ash, lime sludge and slags from steel industry; pre-cast clay hollow blocks made of silt and industrial waste, insulated roofing and walling components, integrated cost effective precast concrete solutions; Light gauge steel structural systems; Stay in place formwork system; Innovating door system; New generation waterproofing and construction chemicals; earthquake resistant confined masonry. Many of these technologies have great potential to be used across the country for construction of low to medium height houses including individual houses constructed under Beneficiary Led Construction (BLC) vertical of PMAY(U). IHTM displayed Compressed Stabilized Mud Block system from Auroville, Puducherry; on the other, it demonstrated Robotic Block laying machine developed by a Start-up from Hyderabad. These technologies were evaluated by a Technical Evaluation Committee

2. Under Global Housing Technology Challenge-India (GHTC-India), an exhibition on 75 Innovative Construction Technologies, named 'Indian Housing Technology Mela' (IHTM) showcased domestically developed indigenous and innovative construction technologies, materials and processes which could be useful for Beneficiary Led Construction (BLC) houses under Pradhan Mantri Awas Yojana-Urban (PMAY-U) and other low & mid-rise houses.

Hon'ble Prime Minister visits to the exhibition area at the 'Azadi@75 - New Urban India' expo

(TEC) set up by MoHUA for their technical parameters and further use in field.

IHTM participants were from across the country—from private and Government sectors; Representatives of technology providers of proven and potential technologies; Manufacturers, building centres, innovators from IITs, R&D institutes; State/ Urban Local Bodies, implementing agencies of Pradhan Mantri Awas Yojana (Urban) and agencies involved in six Light house Projects (LHPs) initiated in six different States as a part of Global Housing Technology Challenge-India (GHTC-India). The foundation stone of LHPs was laid by Hon'ble Prime Minister on 1st January 2021.
