Addressing the gathering during the event, Prime Minister said that the nation is in a mood for bhakti with the Pran Pratishtha at the Ram Temple at Ayodhya Dham on 22nd January. He expressed happiness that more than one lakh families of Maharashtra are having their 'Grih Pravesh' in this moment of devotion. "It is a matter of great joy that these 1 lakh families will light Ram Jyoti in their pucca homes in the evening of 22nd January", he said.

The Prime Minister congratulated the people of the region and entire Maharashtra on the various projects, including houses under PMAY-U that were launched or inaugurated during the event. He credited the hard work of people of Maharashtra and the progressive State Government's efforts for the glory of Maharashtra.

"Ram always taught us to be true to our words and promises", the Prime Minister said expressing delight that the resolution taken for the thousands of poor from Solapur is becoming a reality today. An emotional Prime Minister said that the largest society under PM Awas Yojna has been inaugurated today and recalled the wish from his childhood days about living in such homes. "It gives immense satisfaction when the dreams of thousands of families are realized and their blessings become my greatest wealth", a teary-eyed Prime Minister exclaimed. Hon'ble Prime Minister recalled assuring the people during the foundation stone laying ceremony of this project that he himself would come to hand over the keys to their houses upon completion of the project. The Prime Minister highlighted that those who received their houses today, and their generations, had to face suffering

and distress due to homelessness and expressed confidence that the chain of suffering will now break and the future generations will not face the same ordeal.

The Prime Minister prayed for the prosperity and happiness of the families that are getting new homes today. "Our government is trying from the first day to ensure that there is good governance in the country by following the ideals of Shri Ram and honesty reigns in the country. It is Ram Rajya only that inspired the mantra of Sabka Saath, Sabka Vikas, Sabka Vishwas and Sabka Prayas", said Hon'ble Prime Minister. Quoting Ramcharit Manas, Hon'ble Prime Minister reiterated the Government's focus on the welfare of the poor.

Hon'ble Prime Minister recalled the time when the poor were deprived of dignity due to the absence of basic amenities like pucca houses and toilets. The Prime Minister said that instead of misguiding people, the path of the Government is 'dignity of labour', 'self-reliant worker' and 'welfare of the poor'. "You dream big. Your dreams are my resolution", the Prime Minister assured. He mentioned affordable urban houses and fair rent societies for migrant labourers. "We are making efforts to provide residences near to the place of work" he said.

Concluding the address, the Prime Minister expressed confidence that the citizens will continue to bless the Government and congratulated those who got their permanent homes.

**Message from
JS&MD (HFA)
Shri Kuldip Narayan**

It is yet another year to take the Mission to a new feat, to write a new chapter of bringing happiness & dignity in the lives of more & more families by giving them roof over their heads & a new chapter of bringing before the world our millions of transformation stories.

In the month of January, we achieved a big milestone as the Hon'ble Prime Minister dedicated to the nation more than 90,000 houses under PMAY-U in Maharashtra & inaugurated 15,000 houses in Solapur. It was a moment of great pride for us to see dreams of thousands of families getting fulfilled. On two separate occasions, Hon'ble Prime Minister also interacted with our beneficiaries from Himachal Pradesh & Uttar Pradesh. These beneficiaries proudly shared their transformative experiences after getting a pucca house under PMAY-U.

Meanwhile, in January we also got the opportunity to host around 500 beneficiaries from across the country in Delhi. They were invited as special guests to witness the Republic Day Parade. These beneficiaries enjoyed every moment of their stay in Delhi & have carried with them an experience of a lifetime. Their visit was made special as Hon'ble Minister for Housing and Urban Affairs, & Hon'ble MoS, Housing and Urban Affairs hosted a function for the beneficiaries & interacted with them.

Viksit Bharat Sankalp Yatra has also gained tremendous momentum across the country. It is a force which has brought Government schemes to peoples' doorsteps. The Yatra is empowering citizens of the country & its impact is profound and life changing.

Let's keep putting our best foot forward!
My best wishes.

The Government of India invited beneficiaries of various welfare schemes as Special Guests to witness the Republic Day Parade on 26th January 2024 at Kartavaya Path, New Delhi. Hon'ble Minister of State for Housing and Urban Affairs, Shri Kaushal Kishore and Secretary, Ministry of Housing and Urban Affairs, Shri Manoj Joshi, and Secretary, Ministry of Petroleum and Natural Gas, Shri Pankaj Jain were also present during the occasion.

Apart from taking part in the Republic Day Parade, beneficiaries were taken to various places of religious, historical and national importance around Delhi. The beneficiaries visited Pradhan Mantri Sangrahalaya, Lotus Temple and Safurjung Tomb amongst other places.

Ghar Hua Apna, Pura Hua Sapna

Smt Gita Rajput and Shri Roop Singh of Budhni, District Sehore, Madhya Pradesh spent most years of their life in a kutcha house worrying about the future of their four daughters. Their safety was the major concern due to which either of them had to be present in the house. However, today things have changed, life is better now and the daughter are all grown-up and earning well to support their parents. The reason for the “happiness”, as explained by Smt Gita and Shri Roop Singh, is their pucca house which transformed their lives and gave them the respect and dignity they deserved.

“No one used to visit us earlier, neither our family members or any relative. We were living a life of destitute. The salary which I got from my job of a driver was not enough to fulfil the needs of my family and at that time, to think of building a home for my daughters was a far-fetched dream. I knew they were finding it difficult to lead their lives in a kutcha house which did not even have a proper room or a kitchen or a toilet. But I was helpless,” explains Shri Roop Singh.

Smt Gita recalled the old days they spent in the kutcha house and shared that six of them lived in just one room, where she cooked also. “We lived in extremely difficult condition,” she says.

Now the family lives in a beautifully constructed pucca house and credits the transformation to PMAY-U. They were lucky enough to have seen an advertisement about the Scheme after which they came to know that the Government provides financial assistance to eligible families in urban areas to construct their homes if they don't have a pucca house in their name. Smt Gita's application was approved and in 2022, the family moved into their new pucca house.

Their eldest daughter runs coaching classes from the comfort of the house while the one younger to her is the owner of a beauty parlour. “When your fate changes, everything good happens to you. We also witnessed the same thing. My second daughter was

earlier working in a beauty parlour and her hard work has now made her owner of the place. Three of my daughters are financially independent and the youngest one is currently finishing her school. What else do we want? It's by God's grace that everything is happening and we are leading a comfortable and happy life,” Shri Roop Singh shares.

Smt Gita also works as a support staff in a school. Both the parents stay away from the house for long hours, but the safety of the daughters is no more a concern now due to the pucca walls of the house.

The couple expresses their gratitude to the Government for bringing a Scheme like PMAY-U which has made the lives of lakhs of families. They also praised their daughters for being a solid support system behind the construction of the house.

“As my daughter grew up, they started working to help us in building the house of our dreams. With the financial help received from the Government and from my daughters, we have constructed this house. I could not be more proud of them,” Shri Roop Singh says, adding that earlier nobody came to their house and now, every other day they are welcoming guests over. “Alliances for my daughters are also coming looking at my house,” he says.
