Notably, Grih Pravesh ceremony of 4 lakh PMAY-U houses across the country was also held during the event and Hon'ble Prime Minister handed over the keys to their house to PMAY-U beneficiaries. The event marked a milestone in the lives of 4 lakh beneficiaries who moved to their pucca house which has all amenities to provide ease of living to them.

“For the lakhs of families who have received or are assured of receiving a permanent house today, this marks a new beginning and a solid start in their lives,” Hon'ble Prime Minister said.

PMAY-U 2.0 was approved by the Union Cabinet in August 2024. The Scheme will provide financial assistance to 1 crore urban poor and middle-class families to construct, purchase or rent a house at an affordable cost in urban areas in 5 years. Government Assistance of ₹ 2.30 lakh crore will be provided under PMAY-U 2.0. By providing 1 crore houses to families, lives of almost 5 crore citizens will be transformed. Families belonging to EWS/LIG/MIG segments, having no pucca house anywhere in the country, are eligible to purchase or construct a house under PMAY-U 2.0.

Having a pucca house is a major turning point in the lives of the people, especially the poor. It boosts their living standards and opens doors of opportunities and livelihood.

Hon'ble Prime Minister meets PMAY-U beneficiaries in Bhubaneswar

Hon'ble Prime Minister Shri Narendra Modi visited the house of Shri Antaryami Nayak, a proud beneficiary of Pradhan Mantri Awas Yojana - Urban from Bhubaneswar, Odisha. Hon'ble Prime Minister met the entire family and was served the traditional Kheer upon his arrival. Coincidentally, it was Hon'ble Prime Minister's birthday on 17th September 2024.

At the event in Bhubaneswar, Hon'ble Prime Minister mentioned about his visit to Shri Nayak's house and shared, "Before coming here, I visited the home of a tribal family for their housewarming ceremony. This family has also received their new home under the Pradhan Mantri Awas Yojana. The joy on their faces and the satisfaction they felt are things I will never forget. The sister in that tribal family happily offered me 'kheer'! As I was eating the kheer, it naturally reminded me of my mother. When my mother was alive, I used to visit her on my birthday to seek her blessings, and she would always feed me jaggery. Though my mother is no longer with me, today, a tribal mother fed me kheer and blessed me on my birthday. This experience, this feeling, is something I will treasure for the rest of my life".

Meanwhile, Hon'ble Prime Minister also interacted with some other PMAY-U beneficiaries on the occasion. Lives of these families have been transformed massively after getting a pucca house with all amenities under the Scheme. They are leading a secured and dignified life in their own houses.

Hon'ble Prime Minister inaugurates more than 20,000 houses in Gujarat

On 16th September 2024, Hon'ble Prime Minister inaugurated 20,866 houses built under PMAY-U at the cost of ₹1,158 crore across the State of Gujarat. The event was held in Ahmedabad, during which Hon'ble Prime Minister also handed over pucca house keys to some beneficiaries of PMAY-U.

In his address, Hon'ble Prime Minister said, "Thousands of families in Gujarat are also entering their new homes today. The first instalment of funding for pucca houses has been released to thousands of families. I hope that from now on, you will celebrate Navratri, Dussehra, Durga Puja, Dhanteras, Diwali, and all other festivals in your new homes with the same enthusiasm. I extend my congratulations to the people of Gujarat and the people of the country for all these development projects."

Hon'ble Prime Minister expressed his happiness that thousands of families from Gujarat are getting their pucca houses under PMAY-U today and added that the Scheme continues to transform lives of crores of people from different sections of society across the country.

"During the elections, I guaranteed the country 3 crore new homes. Work on this guarantee is progressing rapidly. Today, in this program as well, thousands of families in Gujarat have received their own pucca houses. Yesterday, I was in Jharkhand, where thousands of families also received homes. Whether in the village or the city, we are working to provide everyone with better living conditions. Whether it's providing financial help to urban middle-class families for homes, launching campaigns to provide good rental housing to workers at fair rates, special housing schemes for factory workers, or building new hostels for working women across the country, the government is spending thousands of crores on these projects," Hon'ble Prime Minister said.

Hon'ble Prime Minister inaugurates 5,000 houses in Jharkhand

Hon'ble Prime Minister virtually joined the grih pravesh ceremony of over 5,000 houses built under PMAY-U across Jharkhand on 15th September 2024. Hon'ble Prime Minister said that houses under PMAY have transformed the lives of beneficiaries and opened doors of employment opportunities for them.

"Thousands of people have also been provided with pucca houses under the PM Awas Yojana. Along with homes, they have also been given facilities such as toilets, water, electricity, and gas connections. We must remember... when a family gets its own home, their self-esteem rises. they start thinking not only about improving their present but also about a better future. They feel that they will have a home of their own even in the face of any crisis. And, with the PM Awas Yojana, not only are the people of Jharkhand getting permanent homes, but it is also creating numerous employment opportunities in villages and cities," Hon'ble Prime Minister said.

During the event, Hon'ble Minister of Agriculture & Farmers Welfare and Minister of Rural Development Shri Shivraj Singh Chouhan, handed over the keys to their dream houses to some PMAY-U beneficiaries.

Message from JS&MD (HFA) Shri Kuldip Narayan

The month of September witnessed some important milestones with launch of Pradhan Mantri Awas Yojana – Urban 2.0 by Hon'ble Prime Minister and inauguration of 4 lakh PMAY-U houses across the country. PMAY-U 2.0 has been launched with an objective to provide financial assistance to 1 crore people of urban India to construct or purchase a house in urban areas over a period of 5 years. The Scheme emphasises on empowerment of urban poor and middle-class families by giving them secured houses to focus on the betterment of their lives.

With an asset such as a pucca house, PMAY-U has had a deep impact on the lives of crores of people across the country. PMAY-U 2.0 will also bring profound changes in the lives of additional 1 crore families with focus on the goal of Housing for All. The Operational Guidelines of PMAY-U 2.0 has already been circulated to States/UTs and other stakeholders. PMAY-U 2.0 will

In Odisha, Hon'ble Prime Minister inaugurated 4 lakh houses across the Nation and in two separate events in Jharkhand and Gujarat, more than 5,000 and 20,000 houses, were inaugurated, respectively.

Some of our beneficiaries also got the opportunity to interact with the Hon'ble Prime Minister and share with him their transformation journey of living in their own pucca house. Their smiles spoke of the dream come true moment. Hon'ble Prime Minister also visited the house of one of our beneficiaries and it was truly a heart-warming sight to see the interaction. I am sure these moments will be cherished forever by the beneficiaries.
