30.	Additional temporary Central Assistance ₹6.39 crore for the Affordable Housing in Partnership (AHP) Project at Porthapur, Shri Vijaya Puram Municipal Council, Union Territory of Andaman & Nicobar Islands, as a special case under PMAY-U Mission (Agenda 4)
-----	---

A. Basic Information:

The Committee was apprised that additional temporary Central ₹6.00 crore for the Affordable Housing in Partnership (AHP) Project at Porthapur, Shri Vijaya Puram Municipal Council, Union Territory of Andaman & Nicobar Islands (ANI) is being proposed, as a special case under PMAY-U Mission.

The Affordable Housing in Partnership (AHP) vertical under PMAY-U provides Central Assistance for construction of affordable houses for the Economically Weaker Section (EWS). Under the Mission Guidelines, Central Assistance at the

rate of ₹1.50 lakh per EWS dwelling unit is admissible for eligible houses under the AHP vertical.

One AHP project at Porthapur, Shri Vijaya Puram Municipal Council (formerly Port Blair Municipal Council), Union Territory of Andaman & Nicobar Islands, implemented by NBCC (India) Limited, was approved by the 51st meeting of the Central Sanctioning and Monitoring Committee (CSMC) held on 07.08.2020.

NBCC, vide its e-mail dated 04.08.2026, further informed that, as per the revised sanction (Rev. 02) of ₹55.80 crore, 213 EWS units and a commercial block having a BUA of 5,576 sqm are to be constructed at the Prothrapur site. The cost of the EWS component is ₹31.50 crore with the balance amount earmarked for development of the commercial space. The total fund availability through Central Assistance and beneficiary contribution is ₹22.37 crore. The remaining requirement of funds for construction of EWS block was supposed to be cross subsidized from sale of commercial space. Construction of commercial space and sale thereof is delayed and taking time. This has adversely affected the EWS project cash flow, necessitating financial support by NBCC to the contractor from time to time to ensure continuity of construction works. It may also be noted that occupancy of EWS houses will also promote viability of commercial block and improve viability of who project while ensuring timely completion of houses.

As per NBCC, out of 213 housing units, 102 EWS units in Blocks A and B have been completed, with electricity connections (except individual metering) and water supply provided. The 140 KLD STP is under construction and is targeted for completion by 20.08.2026. In Block C, structural work of 90 out of 111 units has been completed, while finishing work is in progress. NBCC has stated that the balance works can be completed by 30.09.2026, subject to adequate financial support, and has requested additional assistance for timely completion of the EWS housing project.

In this regard, it may be noted that the Andaman and Nicobar Islands is Union Territory and 100% financially supported Government of India only, while NBCC is a Government of India enterprise. In the absence of timely financial support, the project may remain incomplete, resulting in avoidable financial loss to the exchequer and depriving the intended beneficiaries of the completed houses. Therefore, there is an urgent need to provide temporary additional financial assistance to NBCC to facilitate completion of the balance works within the extended Mission period subject to the condition that additional assistance will be remitted in future to the Government of India, from sale of the commercial built-up area or from other receivables.

The present proposal for additional temporary Central Assistance of ₹6.39 crore has been examined with reference to the revised project comprising **213 EWS dwelling units**. This will be treated as special case considering the Status of ANI as Union Territory and nature of concerned AHP project.

B. CSMC Decision:

After deliberation, the CSMC approved additional temporary Central Assistance of ₹6.39 crore for the Affordable Housing in Partnership (AHP) Project at Porthapur, Shri Vijaya Puram Municipal Council, Union Territory of Andaman & Nicobar Islands, as a special case, subject to the condition that additional assistance will be remitted in future to the Government of India from sale of the commercial built-up area or from other receivables.
