## ANDAMAN AND NICOBAR ISLANDS

Pradhan Mantri Awas Yojana (Urban) [PMAY(U)] Scheme has proved to be a blessing for millions of people and one such satisfied couple is **B Saraswathi and B. Veera Swamy** from Port Blair, **Andaman and Nicobar Islands**.

B Saraswathi is a housewife. B.Veera Swamy supports his family by working as a painter. The couple is parents to a young son. Like everyone else, Saraswathi too dreamt of having her own house but since her husband is the only earning member of the family, she buried her desires and was forced to live in a rented house for years. The house had restrictions on usage of water and electricity. However, life moved on for them.

Amidst this dismay, a ray of hope emerged when she heard about the PMAY(U) through the announcements made in her area. Saraswathi persuaded her husband to apply for the Scheme. Eventually, they received funds to construct the house and today, the family is a proud owner of a newly constructed house, comprising of a bedroom, hall, kitchen along with toilet and bathroom facilities.

Saraswathi and Veera Swamy express their gratitude towards the Central Government for implementing PMAY(U) successfully and making their dream of affordable housing come true.

The home has instilled confidence in Saraswathi and Veera Swamy's life. They are no more concerned about their safety and security. The home has helped them in gaining social respect in society as well.
