

MAMTA Varma

CHHATTISGARH

Mamta Varma lives with her husband and two daughters in Kawardha in **Chhattisgarh**. They have been living in Kawardha since last 15 years, but due to their meagre income, the couple could not build a permanent home. Her husband is a teacher in a private school and Mamta supports him financially by working as a tailor.

She says, "Our family was living in a kuccha house made from a tin-based sheet. Often, wild monkeys used to damage the sheets and entered the house, thereby spoiling food and other things. The house had become very unsafe, especially for my daughters. We lived in miserable conditions during extreme weather conditions."

In such a situation, owning a pucca house was a dream for the family. When Mamta heard about the PMAY(U) Scheme, she applied for it. The family now resides in their own home which has all the basic amenities.

She says, "I feel safe now with my family in a pucca house and I'm no longer worried about the safety and security of my daughters. The home also keeps us protected from all weather conditions."

Mamata and her family are thankful to Hon'ble Prime Minister and Hon'ble Chief Minister of Chhattisgarh for her giving them their dream home.
