

BHUVNESHWARI

HIMACHAL PRADESH

Bhuvneshwari lives with her husband **Labh Singh** and son in Mandi, **Himachal Pradesh**. Due to the death of his father, Labh Singh has been shouldering the responsibility of his family since an early age. He couldn't complete his education because of financial constraints. When Labh Singh got married he got the support of Bhuvneshwari Devi. The one thing they wanted for their family's well-being was a permanent home. However, Labh Singh's income didn't allow him to pursue the dream.

In 2016, Bhuvneshwari came to know about Pradhan Mantri Awas Yojana (Urban) [PMAY(U)] and thus, he got the confidence of constructing their own home.

In 2018, they started the construction of the house which got ready in a year's time. The couple has named their home 'HAVAN'. The home has all the basic amenities.

Today, Bhuvneshwari and Labh Singh's hard work and patience has paid off. They are proud owners of a house and they couldn't be more happy!
