

KAMMA RADHA Kumari

PUDUCHERRY

"I feel very glad. I am happy for my family," says **Kamma Radha Kumari**, a PMAY(U) beneficiary from **Puducherry's** Yanam. She lived in a rental semi-pucca house with her husband and two children without proper basic amenities like toilet facility. There was space constraint in the house, which made life difficult for them. Kamma Radha Kumari also adds that the owners of the house behaved badly with them. However, as her husband was the only earning member of the family, they silently continued to stay there.

The family had been wanting to build their own house on a piece of land they owned but financial constraints came in the way of their dream.

On learning about PMAY(U), she happily enrolled under the BLC vertical of PMAY(U) Scheme. From then, the family never looked back. A home of their own proved to be a beacon of hope in their lives with the whole family finding dignity and respect.

"PMAY(U) house has not only improved the quality of life for us but also given us a social status. My kids are continuing with their studies and it also gave me confidence to do something for my family," she says. Kamma Radha Kumari is now employed as a part-time guest lecturer in a college.

She is grateful to Hon'ble Prime Minister for helping them realise their dream.
