Component wise allocation in PMAY-U

**Demand survey at a glance:**

- Total towns covered = 80 towns
- Total 3.61 lakh applications received.
  - Under AHP Vertical = 195183 (54.01%)
  - Under BLC Vertical = 87916 (24.33%)
  - **Under CLSS Vertical = 22854 (06.32 %)**
  - Under ISSR Vertical = 55412 (15.33%)

**Slum survey exercise carried out separately**

- Slum identified in towns = 19 towns
- No. of slums identified = 86 slums
Progress under Credit Linked subsidy Scheme (CLSS):

- 14688 validated applications of EWS category sent to State Level Bankers’ Committee (SLBC).
- The SLBC allocated target to the different Banks.
- Hand-holding Camps in all the 80 towns organized to motivate the applicants to complete the documents to avail home-loan.
- Deputy Commissioners have been asked to review the progress regularly in the meetings of District Level Review Committee (DLRC)
- Banks sanctioned 103 cases and disbursed 12 cases only.
- Continuous follow up of SLBC with District Nodal Bankers.
Bottlenecks:

1. **Stringent documentation requirement of banks.**
   - Banks were not considering / sanctioning the loan for want of following documents:
     - Clear Title dead of Plot/House.
     - Property ownership chain for last 13 years.
     - Approved house/building plan.
     - Income Proof/ITR of last 3 years.
     - Sufficient re-payment capacity
     - Non-entertaining loan-cases for extension of Pucca houses.
**Bottlenecks:**

2. Due diligence is done very conservatively by Bank branches fearing these turning into NPA’s.

3. RBI/ MOF Guidelines need to be more specific regarding documentation/ scrutiny.

4. Reimbursement of subsidy to banks processing be streamlined.
Suggestions:

- The clause 5.10 of CLSS-PMAY guidelines envisages that for identification as an EWS or LIG beneficiary under the scheme, an individual loan applicant will submit self-certificate/affidavit as proof of income. As such, the banks should accept a self-certificate/ affidavit as proof of income instead of asking ITRs from EWS/LIG applicants under PMAY-U.

- In abadi-deh, no record of right is maintained and persons, who are living in their ancestral houses, do not have any proof of title. Hence, in Lal Dora/abadi-dehof urban area, the ownership/ possession of house/plot as verified by the Patwari and Executive Officer/ Secretary of MC based on assessment register/record, may be considered as a “title document”.
Suggestions:

- Banks do not consider loan applications for enhancement/extension of the house on the plea that the applicant owns a pucca house whereas the CLSS guidelines (clause 3.3.) envisages that credit linked subsidy would be available for housing loans availed for new construction, addition of room(s), Kitchen, Toilet to existing dwelling units.

- In case of a plot of 50 Sq. yards, an amount of Rs. 70,000- 80,000/- would be required for registration, approval of house/building plan, estimate report, bank loan processing apart from 10% Margin Money.
