Points to ponder

During Planning Stage:

- SECC validation
- Beneficiary share and consent to relocate to transit site
- Basic facilities availability at the transit site
- Site approval while preparing DPR
- Availability of litigation free land
- Pace of Mandatory reforms
- Online data entry pf projects and Beneficiaries
- Disaster and Earthquake technology (Eco-regions)
- Representation of vulnerable categories
Points to ponder

During Implementation Stage:

- Ensuring the availability of basic services and social infrastructures like water supply, electricity, cmty. centres etc.
- Convergence with other Central programmes
- Adoption of disaster and earthquake technology for construction of houses
- Online data entry of projects and beneficiaries
Way forward

• Completion of demand survey (if not completed) through suitable methods for assessing actual demand for housing.

• Preparation of HFAPoA by cities on the basis of the demand survey.

• Preparation of AIP for the FY 2016-17 (HFAPoA & AIP are compulsory from 2016 onwards).

• Submission of HFAPoA and beneficiary list.

• Submission of Project proposals/DPRs with the approval of SLSMC to HUPA for consideration of CSMC.
